Rainbow Hanger

Materials

- ☐ Rainbow sheets (following page)
- ☐ Construction paper for backing
- ☐ Glue
- ☐ Cotton balls
- ☐ Crayons
- ☐ Hole punch
- ☐ Yarn or ribbon

Instructions

Print one rainbow sheet for each student. Have students color the rainbow and the words. Next, glue cotton balls to the clouds. Glue each finished rainbow sheet onto a piece of construction paper as a backing for a framed effect. Finish the project by punching holes at the top and tying a loop of yarn or ribbon through the holes.

Suggested Discussion

The Flood was a catastrophe! Noah and his family were safe in the Ark, but they might have felt a little afraid through it all. They were on the Ark for over a year! So when God promised Noah that He would never flood the world again, the whole family was probably glad to see that beautiful rainbow in the sky.

Noah trusted God, and so can we. God keeps His promises. We know He will never flood the earth like that again.

But God has made an even better promise. He has promised eternal life in heaven with Him for all those who believe in His Son, Jesus, and trust in Him as their Savior.
