

Dear _____:

I wanted to give you a gift subscription to my favorite periodical - *Answers* magazine! *Answers* will arrive in your mailbox bi-monthly.

Answers magazine is a creation-based Christian worldview periodical committed to upholding the truth and authority of God's Word in a culture that is drifting further from His truth each day. There is something for practically any age or background. From the special "Created Creature" and *Kids Answers* sections, to the beautifully illustrated science articles, *Answers* confirms that the Bible is true!

Unless you are already on our mailing list, no other information will be sent to you. If you would desire further info such as our free monthly newsletter or to obtain a free information pack concerning the ministry of *Answers in Genesis*, then please call (toll free) 1-800-778-3390.

I hope you'll agree that this is a gift that your entire family can enjoy!

In Christ,

P.S. Are you familiar with our world-famous Christian outreaches, the Creation Museum and Ark Encounter? Visit CreationMuseum.org and ArkEncounter.com anytime.
