VIRTUAL SUNDAY SCHOOL CLASSES

6 easy steps to using ABC Digital and Facebook Live

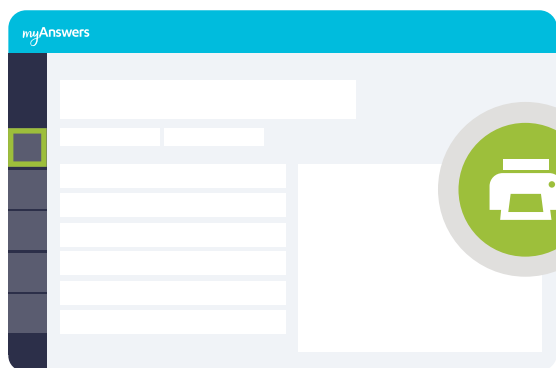

myAnswers

1. Set Up ABC Digital Beta Early Access

If you haven't already, sign up on MyAnswers.com and create your first class at

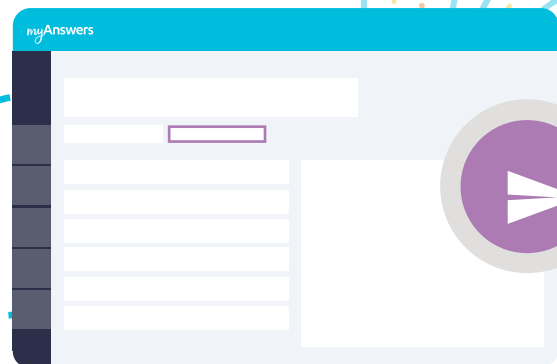

MyAnswers.com/abc-digital

2. Open Your Digital Lesson

3. Print Your Lesson Materials

Print any materials you want to show in your livestream.

4. Get Your Lesson Share Link

Choose whether to share the whole lesson or just the resources.

5. Announce Your Upcoming Livestream

Include the date and time, a link to the Facebook page you will stream from, and a link to the lesson resources from MyAnswers.com. Announce via Facebook, church website, email, or text message.

6. Go Live!

Open the Facebook app and tap the camera icon. Tap "Live," add the lesson resources link in the description, and then "Start Live Video." Watch for comments from your viewers so you can respond.
