Dear Mr. Duvall,

We are excited about the opportunity you are providing to allow us to bring our ministry message to the university students, faculty and staff. Please accept the following bulleted summary of the speaking details that have been discussed:

- Speaking date Monday, March 5, 2018.
- Please see the proposed speaking schedule below.
- Ken will be given 60 minutes of speaking time for the Presentation "Genesis and the State of the Culture" and 45 minutes is allotted for Question and Answer session. Dr. Terry Mortenson of Answers in Genesis will join Ken for the Question and Answer Session.
- Your permitting the sale of Answers in Genesis discipleship/outreach resources in a high traffic area before and after the session is appreciated and is a vital part of our equipping ministry. Five tables will be needed to display the resources. A group of volunteers is requested to assist with the sales and display. Ken will give a very brief resource presentation at the conclusion of his talk.
- VGA connection will be needed for Ken to control his presentation from the lectern.
- The host agrees to pay a \$2,500 speaking fee plus reimbursement of travel, food and lodging expenses for the four member AiG team.
- Thank you for appointing [redacted] a Coordinator who will work closely with [redacted] of AiG. [redacted]'s cell phone is [redacted]. These individuals will ensure all logistic needs are covered for both the church and AiG.

Again, we are looking forward to our time with you and to the blessing God has for us all. If you would please review this summary for accuracy and acknowledge, by signing below and scanning it back to me, it would be appreciated. Once we have your approval, we will post the speaking schedule on the Answers in Genesis website. Blessings.
