

JOHN RAY
(1627–1705)
tried to account for
rock layers based
on the Flood

GEORGE YOUNG
(1777–1848)
pastor, theologian, and early
“scriptural geologist” who
argued that the Flood caused
most of the earth’s rock record

GEORGE MCCREADY PRICE
(1870–1963)
wrote several critiques of geologic
assumptions that the earth is
ancient (*The New Geology*, 1923)

WALTER E. LAMMERTS
(1904–1996)
first of many creationists to
earn a Ph.D. in a scientific
discipline (genetics, 1930)

HENRY M. MORRIS
(1918–2006)
JOHN C. WHITCOMB
(1924–)
coauthors of *The Genesis
Flood* (1961), which helped
to launch the modern
creationist movement

**CREATION
RESEARCH SOCIETY**
(1963–)
the oldest scientific society
continuously publishing
creation research

**INSTITUTE FOR
CREATION RESEARCH**
(1971–)
first nondenominational
creationist institution
dedicated to promoting
scientific research

**ANSWERS
IN GENESIS**
(1993–)
the apologetics ministry
that constructed the
Creation Museum

**BSG: A CREATION
BIOLOGY STUDY GROUP**
(1996–)
first incorporated
society of professionals
who meet regularly to
develop models in a field
of creation research
