## Jesus's Mission

### Lesson Summary

---

This week we looked at Jesus's mission—to glorify His Father in heaven. He did that by reflecting God's character and by completing the mission for which He had come—to be obedient to the point of death on the Cross, to provide salvation for all who trust in Him.

The Bible tells us that God created us for His own glory (Isaiah 43:6–7), that our good works are so others will give God glory (Matthew 5:16), that everything we do is to be done for God's glory (1 Corinthians 10:31), and that God's plan is to fill the earth with the knowledge of His glory (Habakkuk 2:14).

But, what does it mean to glorify God? How can we glorify God in our daily lives? Let's take a look at more Scriptures that talk about glorifying God.

# Jesus Has Power Over Nature

## 2

### Lesson Summary

---

The book of John tells us that Jesus is the Word, the Word was with God, and the Word was God (John 1:1). The Word—Jesus—has been with God from the very beginning; He is eternal. The Bible clearly teaches us that Jesus is the Creator God. Everything was made through Him (John 1:3; Colossians 1:16).

As Creator, Jesus has power over His creation. And He showed that power when He came to earth as a man. We looked at several miracles of Jesus this week that demonstrated that power. He walked on water! He calmed the storm! And He knew that Simon would catch fish—so many fish that the nets would begin to break and the boats begin to sink. He is God. He is worthy of all our worship and praise.

This week we want to look at some other miracles of Jesus that show His power.

1. What conversation took place between Jesus and His mother?
2. What miracle did Jesus perform in Cana?
3. What kind of wine did Jesus make?
4. What significance did this miracle have?

## Matthew 8:5-13

6. Why didn't the centurion want Jesus to come to his home?

7. How did the centurion demonstrate his faith in Jesus?

8. How did Jesus heal the man's servant?

**Mark 5:25-34**

9. What had this woman done to try to find healing and relief?

10. How did she demonstrate her faith in Jesus?

11. What did Jesus say to the woman? What did it take for her to be healed?

12. How did these men demonstrate their faith?

13. How did Jesus heal them? What did He ask them to do?

14. What was the nationality of the one who returned to glorify God and thank Jesus?

15. What does this passage teach us about gratitude toward God?

16. What did Jairus ask of Jesus?

17. What did Jesus say to him after he learned that his daughter had died?

# Jesus Has Power Over Disease

## 3

### Lesson Summary

---

In the account of the healing of the paralytic (Mark 2:1–12), Jesus told the man to get up and walk. Jesus healed his physical problem. But more importantly, Jesus told the man, “Son, your sins are forgiven you.” This man not only walked home with a restored body, but he also had been given a new heart—one that had been forgiven of sin. And through that forgiveness, he was given eternal life. Jesus had power over disease. And He had power over sin. He alone can forgive men who turn to Him in repentance and faith.

The word *forgive* means to wipe the slate clean, to pardon, to cancel a debt. When we wrong someone, we seek that person’s forgiveness in order to restore the relationship. Forgiveness is not granted because a person deserves to be forgiven; no one deserves to be forgiven. Forgiveness is an act of love, mercy, and grace. Forgiveness is a decision to not hold something against another person, despite what he has done to you.

Let’s look at what the Bible has to say about forgiveness of sin.

- Ephesians 1:7 –
  
- Colossians 1:13–14 –
  
- Colossians 2:13–14 –

# 4 Jesus Has Power Over Death

## Lesson Summary

---

Jesus raised Lazarus from the dead, demonstrating that He is the Lord of life and that He has power over death itself! Because of Adam's sin, we will all die physically. But through the Resurrection of Christ, believers have the hope of a future resurrection and eternal life with Him.

But more than physical life, Jesus offers spiritual life. Adam's sin resulted not only in physical death, but also in spiritual death, which is separation from God. The Bible says that we all are born dead in our sins. We have no chance of making ourselves clean and sinless before God. We have no life with God while we are dead in our sins. And because of that, the thing we need more than anything else is to be made alive together with Christ. We need spiritual life.

This week we'll look at what God's Word has to say about spiritual death and spiritual life.

5. What were the results of the one man's offense, of Adam's disobedience? What were the results of the one Man's obedience (vv. 15–19)?

John 3:36; 1 John 5:11–13

6. How does one get eternal life? Where is it found?
7. Can we *know* that we have eternal life? How?

Revelation 20:11–15

8. Who will be judged before the great white throne? Who will be the judge?
9. How will people be judged?

10. What is the second death? Who will experience it? Who will not experience it?

Thank Him that you have been born again to a living hope through the Resurrection of Jesus Christ from the dead. And thank Him that because of Christ, you are saved from the second death. Ask Him for compassion for those who are outside of Christ, that you may have boldness in sharing the hope of the gospel with them.

## Jesus Is the Bread of Life

### Lesson Summary

---

Jesus sometimes said some hard things to those who were following Him. As we studied this week, in John 6 Jesus told the Jews that they must eat His flesh and drink His blood. It probably sounded like He was asking them to become cannibals. But eating His flesh and drinking His blood was a metaphor. His flesh is to be eaten, but not as the manna in the wilderness. That manna—the physical bread—only sustained their ancestors physically for a time. The bread Jesus offered was His flesh upon the Cross, and the blood was His blood that was shed for the forgiveness of sins. Many were unable to receive Jesus’s words. Jesus attributed this to the fact that the Father had not granted it to them (John 6:64–65).

In chapter 7 of John, there are more “hard sayings” of Jesus. Let’s examine this chapter to see what Jesus said and how the people responded to Him.

# Read and Discuss

2. How did Jesus respond to His brothers?
3. Why do you think Jesus went up to the feast in secret?
4. Why did people fear to speak of Jesus openly?

## John 7:14–24

5. Restate verse 17 in your own words.
6. What was Jesus's main argument in verses 21–24?

13. When would believers receive the Holy Spirit?

14. Why did the officers not take Christ (vv. 45–47)?

## Have You Not Read?

### Lesson Summary

---

The younger grades had a review this week while the older classes looked at how Jesus interacted with the religious leaders of His day. He regularly pointed out errors in the way they were thinking, and to make their error clear, He pointed to the authority of the Scriptures that they claimed to follow. He held them to the standards provided in God's Word, clearly telling them that their traditions were not the right standard to be following.

This week we'll be looking at what Scripture says to us about how we are to interact with those who are not teaching the Word of God correctly.

## Jesus Teaches

### Lesson Summary

---

We have all sinned in thought, word, and deed. Beyond that, we have failed to do the things that we know we should do. In the Sermon on the Mount, Jesus pointed His hearers to God's standard of perfection and absolute obedience—not just outwardly, but also from the heart. But if our hearts are desperately wicked (Jeremiah 17:9) and as hard as stone (Ezekiel 36:26), how can we obey God perfectly? We can't, and that is the point. We need a heart transplant that makes us alive to the things of God.

This week we'll look at the work that God does in and through a person to make him willing and able to obey Him.

## Jesus Defends God's Honor

### Lesson Summary

---

Jesus defended God's honor when He drove the sellers and money changers out of the Temple and when He confronted the religious leaders because they were hypocrites—pretending to be holy while their hearts were wicked. Jesus demonstrated a holy, righteous anger. He never sinned in His anger.

We, however, if we are honest with ourselves, often sin in our anger. Anger seems to be one sin that all of express at one time or another. And Scripture has a lot to say about anger. Let's look at some of the passages this week.

# Read and Discuss

---

Read the following passages from the book of Proverbs and discuss what they teach us about anger.

- Proverbs 12:18 –
- Proverbs 14:17 –
- Proverbs 14:29 –
- Proverbs 15:18 –
- Proverbs 16:32 –
- Proverbs 17:27 –
- Proverbs 19:19 –
- Proverbs 22:24–25 –
- Proverbs 25:28 –
- Proverbs 29:11 –
- Proverbs 29:22 –

Read the following passages and discuss the questions together.

Ephesians 4:26–27, 4:31–32

1. Can one be angry and yet not sin?
2. What does it mean to “not let the sun go down on your wrath”?
3. What might anger give place for?
4. Is anger something that should characterize Christians? What should instead?

James 1:19–20

5. What does James say about man’s wrath or anger?

## Jesus Teaches in Parables

### Lesson Summary

---

Jesus used many parables to teach spiritual truth to His followers. As He explained to the disciples, this was done to fulfill prophecy and to distinguish between those who were true followers and those who were not. Jesus acknowledged that the Father was hiding these truths from some (Matthew 13:11–15). Matthew explains this further in verses 34–35 saying, “All these things Jesus spoke to the multitude in parables; and without a parable He did not speak to them, that it might be fulfilled which was spoken by the prophet, saying: ‘I will open My mouth in parables; I will utter things kept secret from the foundation of the world’” (quoting from Psalm 78:2). The disciples, who desired to know the truth, asked for an understanding of the parables when they did not understand. They sought truth and understanding of what Jesus was teaching (Matthew 13:36, 13:51).

We looked at a few parables in class this week, but there were many we didn’t have time to explore. So, let’s examine a few more of Jesus’s parables.

## Jesus Is the Great I AM

### Lesson Summary

---

Many people over the last two millennia have tried to discredit Jesus as the God-man. Men like Arius, a false teacher from the fourth century, have denied the deity of Jesus and taught others to do the same. But these claims do not agree with the teaching of Scripture. Today, there are groups like the Mormons, the Jehovah's Witnesses, and others who also deny the distinct deity of Jesus as God—they think He is a god among other gods.

As we saw in our lesson this week, not only did John present Jesus as God in His gospel, but also Jesus Himself claimed to be equal with God and took the name of God to Himself. And the rest of the New Testament is clear that Jesus is God, the second Person of the Trinity. This week we will examine many of those passages.

## True Discipleship

### Lesson Summary

---

As we learned this week, Jesus made some strong demands from those who would be His followers, or His disciples. The English word disciple is the most common English translation of the Greek word, *mathetes*, which generally refers to a “student,” “pupil,” “apprentice,” or “adherent.” When Jesus called men to be His disciples, they would follow Him, learn from Him, and emulate Him. That’s what it means to be a disciple of Jesus.

This week we’ll look at more Scriptures that talk about disciples and discipleship.

## Responding to Jesus

### Lesson Summary

---

As we saw in our lesson this week, there are really only two responses to Jesus—you either submit to Him as Savior and Lord or you would rather He be dead so that you can rule your own little kingdom. You are either for Christ or you are against Him. You are either wheat or a tare/weed (Matthew 13:24–30, 13:36–43). You are either a sheep who will be given eternal life or a goat who will be cast into everlasting punishment (Matthew 25:31–46). We see these examples played out in Scripture, and we see them played out as we interact with other people, although we can't know for sure if someone is wheat or a tare, or a sheep or a goat (someone may repent, like the thief on the cross next to Jesus).

This week we will look at several passages from the book of Acts to see the different responses to the early church's proclamation of the gospel.

# Read and Discuss

## Review

### Lesson Summary

---

This week is a review week. We have covered so much this past quarter! We looked at Jesus's mission: to fulfill the work His Father sent Him to do—to give everlasting life to all who believe in Him. We also saw Jesus's amazing power that pointed to His deity. Jesus is indeed God, the second Person of the Trinity. And we saw how different people responded to Jesus. Some believed in Him and became His disciples; others hated Him and wanted to kill Him.

Next quarter we start out by looking at the arrest and trial of Jesus, leading up to His Crucifixion. This week we'll look at John chapter 12. This passage includes the Triumphal Entry of Jesus, which happened just days before His arrest.
