“The Seven C’s of History” (Creation, Corruption, Catastrophe, Confusion, Christ, Cross, Consummation) help us remember the big events which have affected—and will affect—the history of the universe.

“In the beginning, God created a perfect world. It was a beautiful place—full of life, without death, disease, pain, or suffering. Adam’s disobedience changed all that. When he ate the fruit God had told him not to eat, sin and death entered the world (Romans 5:12). This corruption changed the world so much that what we see today is only a dim reflection of the world that was. Adam’s sin led to the catastrophe of Noah’s day, the confusion at Babel, and the death of Christ on the Cross.

Is there an end in sight?

Death has been around almost as long as humans have. Sometimes it might seem as if it is a permanent part of God’s creation. Romans 8 tells us the whole of creation is suffering because of Adam’s sin. It might seem as if there is no end to the suffering brought about by this act of disobedience. Of course, none of us can say that we have not also disobeyed God in our own lives (Romans 3:23; 1 John 1:10), so all of us in a sense share in the blame for what we see around us.

However, God, in His great mercy, has promised not to leave His creation in its sinful state. He has promised to do away with the corruption Adam brought into the world. He offers us this salvation through His Son. Also, He has promised to remove, in the future, the Curse He placed on His creation (Revelation 22:3)! He will make a new heavens and a new earth one day—one which we can’t even begin to imagine (2 Peter 3:13). In this new place there will be no death, no crying, no pain (Revelation 21:4). Nobody will be sad.

As those who have repented and believed in what Jesus did for us on the Cross, we can look forward to this new heaven and earth, knowing we will enjoy God forever in a wonderful place. The corruption that was introduced in the Garden of Eden will be taken away by God, giving us, once again, a perfect place to live.

“Now I saw a new heaven and a new earth, for the first heaven and the first earth had passed away…” (Revelation 21:1).
Back to Very Good

The Bible tells us God originally created the world “very good.”

But Romans 8:22 says, “For we know that the whole creation groans and travails in pain together until now.”

Something has changed this world. Now we see bad and good. The “good” things are just remnants of that original “very good” creation, while the bad things were a later intrusion, not part of what God originally created.

In today’s world we have...

Beauty & Ugliness
Pleasure & Pain
Health & Sickness
Happiness & Sorrow
Life & Death

Some people blame God for the bad THINGS in our world.

God, why did you do this?

But it’s not God’s fault!

We think of this present world as home, but it is only temporary. God has new heavens and a new Earth in store for those who believe in His Son’s death and Resurrection.

Those who don’t believe in Jesus’ death and Resurrection will have a different eternal home.

2 Thessalonians 1:8–10
Revelation 20:12–15

The bad we see in this world is man’s fault. Man’s sin brought the curse of death and corrupted the whole creation.

However, God knew all this would happen, and He had a plan to rescue his children from this cursed world.

Once again, God’s children will enjoy a perfect creation. This new home will last forever. All the bad things will be no more. How great it will be when God restores His creation, back to “VERY GOOD”!

Make sure this new world will be your future home, too! John 3:16; Romans 10:8–10.
