

# University Schedule for Each Unit

M, W, F      Math 9:00–10:00 (using math manipulatives & story problems, making sure that students really understand the concepts)

T, R      Language Arts 9:00–10:00 (playing with grammar, brainstorming ideas for poetry, etc.)

M, W, F      History Revealed 10:30–12:30 (longer time frames encourage art projects, mapping, creating scenery, strategizing action games, reading great books, having in-depth discussions)

T, R      Science 10:30–12:30 (time for science projects, field trips, and more)

Lunch

Afternoons    Whatever else you want to do!

Be sure to include several quick breaks (drink water, have snack, do a few stretches, etc.) during this time!

Reverse the schedule for second semester.
