

Help the sea turtle navigate the ocean currents on its way home.

MATCH THE ANIMAL WITH ITS UNIQUE FEAT

- | | |
|--------------------------------|--|
| 1. Wildebeest | A. I can travel 16,000 miles a year. |
| 2. Arctic Tern | B. The tallest mountain is no obstacle for me. |
| 3. Christmas Island Red Crab | C. I can travel up to 100,000 miles a year. |
| 4. Purple Martin & Wood Thrush | D. 1.7 million of me and my friends make a lot of noise. |
| 5. Globe Skimmer Dragonfly | E. I live in both salt water and freshwater. |
| 6. Sea Turtle | F. I'm headed to the beach—walking sideways. |
| 7. Bar-Headed Goose | G. I travel looking for fresh rainwater. |
| 8. Salmon | H. Stay on the move if you want to hang with me. |
| 9. Humpback Whale | I. I travel between North and South America. |
