Encountering God's Creation

The earth is full of God's glory—even your backyard is filled with amazing things God has made. You just have to look around!

When God created Adam and Eve, he told them to have dominion (authority) over the earth and tend it. Today, we can obey God by studying the world and taking good care of it.

As the weather gets warmer, a nature walk is the perfect way to explore the Creator's wonderful world! Go on a spring scavenger hunt and see what you can find—but leave living things where you find them.

- ☐ A bug
- ☐ A bird
- ☐ A feather
- ☐ A web
- ☐ A flower bud
- ☐ A green leaf
- ☐ A puddle
- ☐ A mushroom
- ☐ Something flying

- ☐ Something noisy
- ☐ Something sparkly
- ☐ Something soft
- ☐ Something sharp
- ☐ Something warm
- ☐ Something cold
- ☐ Something that stinks
- ☐ Something that smells good
