

SCHUS OFF!

wants your videos!

Do you want your video to be featured at the end of a Schus Off! episode?

Here's what to do:

- 1 Ask your parents for their permission and help.
- 2 Film a short video (10 seconds or less) of you on an exploration in God's creation or with your pet. Include your first name only and the name of your pet or where you are as you explore God's creation. **Bonus tip: include siblings or friends in your video.**
- 3 Film the video in landscape mode with a phone or camera.

- 4 Upload your video to a computer and send to schusoff@answers.tv via Google Drive, WeTransfer, etc., if possible. Uploading to a computer first and using a file-sharing service ensures we receive the video as high quality.
- 5 Watch Season 2, coming soon, to see if your clip was featured.

Bonus tip: We love hearing from you! You can contact us anytime at schusoff@answers.tv or by leaving a comment on one of our videos. Or send us a letter by writing to:
