### Pre-Prep

1. Use the large seashell cross pattern to create a tracing template.
2. Trace crosses onto poster board and then cut out.
3. Cut the magnetic strips into 2-in. lengths, one per child.

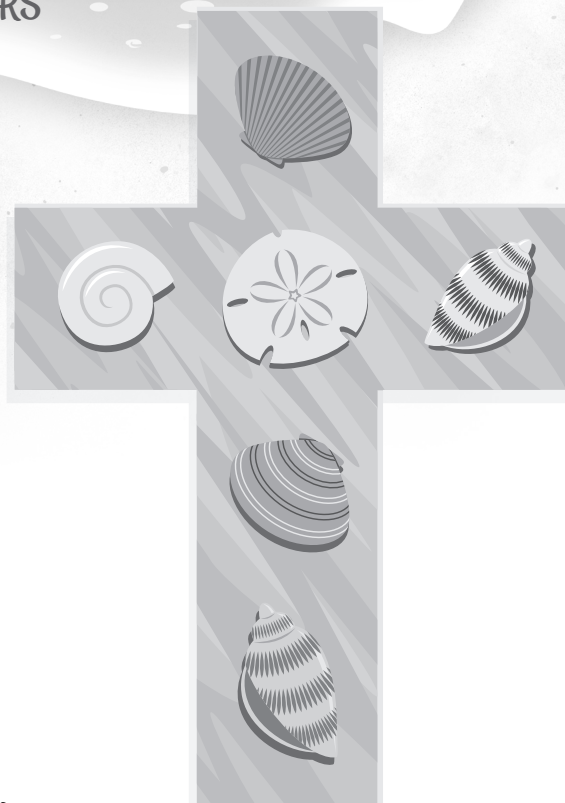

### Teaching Tie-In

Show the sample craft and say:

**We're making a Seashell Cross today. Every time you see a cross, it should remind you that Someone loves you more than anyone in the whole world. Do you know who that Someone is? Yes! It's the Lord Jesus Christ! He loves you so, so much!**

### Class Time Directions

1. Use markers, highlighters, or crayons to color the front of the cross.
2. Apply seashell stickers as desired.
3. Remove paper backing from the magnetic strip and apply it to the back of the cross.

### Tip Corner

- You can probably get 18 or more crosses from a piece of poster board if you position them strategically.
