CREATION MUSEUM HOSTS LIVE WEBCAST ON THE STATE OF THE NATION: Ken Ham Explores the Collapse of Christian America

WHAT: Ken Ham, president of Answers in Genesis, will present powerful new research as part of the Creation Museum's first-ever live video webcast addressing the current spiritual state of the nation. Find out the reasons behind the collapse of Christianity in the Western world, then participate in a live chat with Ham and Britt Beemer, founder of America's Research Group, following the webcast. They are the co-authors of the new eye-opening book "Already Gone."

WHEN: Thursday, June 25, 2009
8 p.m. EDT

WHERE: www.creationmuseum.org/special-events/state-of-the-nation-webcast

The audio of the webcast will also be carried live on the 300 station network of American Family Radio, accessible online at either www.afr.net or www.onenewsnow.net. The program will also be broadcast on the AFR Home school channel on the Sky Angel satellite system.

DETAILS: America has more Christian resources and Bible colleges than ever in its history, yet the nation is on a spiritual downward spiral. What has happened? Why is the church not reaching the culture today as it has in the past? Get the full report on June 25 at 8:00 p.m. as Ken Ham, in his dynamic style, recounts the secularization of American culture and explains why we are losing generations from the church—why, in fact, they are already gone!
