

Welcome to the first ever All-Asian Creation Conference!

As the message of the Gospel is preached to

Dear Asian Friends:

It is with great joy that I welcome you to the All-Asian Creation Conference. This Conference has been in the planning stage for over 3 years. We came to realize that despite the many connections Answers WorldWide has with many Christian/Creationist all over Asia, we lack a central point of communication for Asians themselves. So, it is a real joy that *Answers in Genesis* and several Creation Ministries in Asia bring together the Asian Christian Community for the first ever Creation Conference with AiG Founder and CEO Ken Ham and other world renown speakers from around the world.

This conference will not only give important information about Creation and Biblical Apologetics but they will also allow Asians to network together to facilitate a greater impact throughout Asia with the Gospel of the Lord Jesus Christ. Asians will share their ministries with each other and determine how they could work together to bring about a greater ministry impact.

As you are well aware, Malaysia is right in the midst of what is called the 10/40 Missionary Window. This area of the world is the most unreached population center in the world. So people from Africa to China and Egypt to India will be attending this Conference.

During our time together, there will be an opportunity to discuss the possibility of establishing a network of Creation-based ministries amongst Asians and other 10/40 countries resulting in future conferences and related events. This conference is designed for Lay Leaders, Pastors, Creation Ministry Leaders and any Christian who has a desire to know God's Word and fulfill the Scriptural mandate to "be prepared to give an answer to everyone who asks you" (1 Peter 3:15)

Answers in Genesis is totally committed to working with our Asian friends to establish strategic Creation ministries all over this part of the world.

We really hope that you will plan to attend these historic meetings and be part of fulfilling the Great Commission (Matthew 28:19-20). We look forward to greeting you in Kuala Lumpur, Malaysia for the greatest three days in Asian Ministry. You must be a part of this history conference --- please come.

Regards,
