

Pre-Conference Tour Highlight

11 - 14 November 2011

Kuala Lumpur City Tour

The City of Kuala Lumpur, popularly named KL, has the last decade become one of the most vital cities in Asia. It has a booming economy and the vitality of expanding cities. KL is not only a financial centre in the Far East, but also a unique city for tourism that offers first class attractions, entertainment and shopping facilities. A world-class capital with all the facilities you can expect!

Petaling Street

Malaysia is well-known for its big bargains. Bargain hunters can be seen haggling at many of the stalls that make up Petaling Street's infamous shopping haven. Some of the more popular items that can be found include hand bags, watches, DVDs, CDs and clothing.

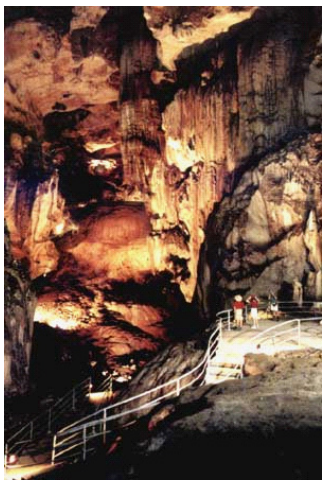

Golfing Escapades

The newest and affordable golf vacation destination in Asia for a round of 18 holes. Whether business, pleasure, luxurious or just golf trip, we deliver your dream golf vacation trip in Malaysia.

Gua Tempurung

Gua Tempurung, the name itself conjures up images of mystery and intrigue that promises visitors a look into its deep dark secrets. Like Aladdin's cave, Gua Tempurung has its own treasure trove of brilliant fishes living free in the river that flows at the base of the hills, rare ferns, and birds, which normally nest in caves and cliff surfaces also abound.

Elephant Sanctuary

Kuala Gandah Elephant Conservation Centre, or popularly referred to as the Elephant Orphanage Sanctuary, is located within the bio diversified-rich and protected Krau Game Reserve & was set up in 1989 under the DWNP (Department of Wildlife & National Parks, Malaysia), manned by the Elephant Capture & Translocation Unit.

Simpang Pulai Hot Springs

It starts at Simpang Pulai, south of Ipoh and enters the Cameron Highlands at Kg Raja. From this road one of the tallest falls of Peninsular Malaysia can be easily reached. This fall, Chelik, is still almost completely unknown.
