Welcome to the first ever All-Asian Creation Conference!

Dear Friends:

It is with great joy that I welcome you to the *All-Asian Creation Conference*. With the increasing rise of the new religion of secular humanism, is the church being equipped to provide real answers to a seeking world?

We came to realize that despite the many connections which *Answers in Genesis* has with many Christians/Creationists all over Asia, we lack a central point of communication for Asians. So, it is a real joy that *Answers in Genesis* with the local support from *Alpha Omega International College* bring together the first ever *All-Asian Creation Conference* with *Answers in Genesis* founder and CEO, Ken Ham and other world renown speakers.

This conference will not only give important information about Creation and Biblical Apologetics but will also facilitate the networking of leaders to bring about a greater impact throughout Asia with the Gospel of Jesus Christ. Leaders from Creation Ministries in Asia will be together under one roof for the first time ever in a spirit of one accord to fulfill the Great Commission through the platform of Creation Apologetics!

You must be a part of this historic conference.

Regards,

Dr. David R. Crandall

International Director, Answers WorldWide

Key Speakers

Ken Ham

President and CEO, *Answer in Genesis*—USA & the Creation Museum. Since moving to America in 1987, Australian Ken Ham—president and founder of *Answers in Genesis* and the new highly acclaimed Creation Museum (with over 719,000 visitors in its first two years)—has become one of the most in-demand Christian conference speakers and talk show guests. Ken's emphasis is on the relevance and authority of the book of Genesis to the life of the average Christian, and how compromise on Genesis has opened a dangerous door regarding how the culture and church view biblical authority.

Dr. David Crandall

Dr. Crandall has ministered cross-culturally in 90 different countries. In his final year at GLS, the ministry distributed gospel literature to some 350 million people. In 2006, God directed Dr. Crandall to join the team at *Answers in Genesis*. He was named international director of *Answers WorldWide* and is currently responsible for taking AiG's creation ministry around the world. *Answers WorldWide* is translating, publishing, and distributing AiG materials to the mission fields of the world. Dr. Crandall also brings international Christian leaders to the Creation Museum in the U.S. for training and provides AiG libraries to Bible schools and seminaries around the world.

Dr. Andrew Macintosh

Dr. Macintosh is a Professor in Combustion Theory at Leeds University. His Ph.D. was in aerodynamics. A number of his students later worked for Rolls Royce, designing aircraft engines. He has written many books and lectured extensively in universities. He has mostly focused on the complexity and design inferences illustrated by flight capabilities of organisms. In addition, he works on how many kinds of insects such as bombardier beetles can support the creation model.

Steve Ham

Steve serves as Senior Director of Outreach for *Answers in Genesis*, overseeing the 250 conferences and other events that AiG typically holds each year. This oversight also includes AiG's international division, *Answers WorldWide*, which includes speaking tours overseas and a translations ministry (more than 75 languages). Steve is the author of the new book *In God We Trust: Why Biblical Authority Matters for Every Believer* (2010) and other works, including the popular curriculum on creation evangelism entitled *Answers for Life*. He also co-authored *Raising Godly Children in an Ungodly World* with his brother Ken. Steve's heart for evangelism and missions has resulted in serving on the boards of various Christian schools and missions organizations.

Dr. Joseph Paturi

Dr. Paturi is the Founder-President of Trans-World Ministries and also the President Emeritus of Temple Baptist College, Cincinnati, Ohio. In addition, he is involved in establishing Bible Colleges and Seminaries in several countries outside of the US. He was also instrumental in getting the first Creation Conference organized in India with Ken Ham in 2008. He has authored several books including *Systematic Theology*, *God's Design for Your Marriage*, *Human Body – God's Masterpiece*. He has multi-disciplinary credentials and four decades of combined experience in ministry and higher education fields. He is an international Christian leader and statesman. He lives in Cincinnati, Ohio with his wife Dr. Shobha.
