

Marvelous Mazes!

You are Abram.
 God calls you to leave the city of Ur and its ziggurat, and to journey through the wilderness to the place God has for you. You must leave the ziggurat and find your way to the land of Canaan at the bottom of the maze (the trees).
 Don't sit on a cactus!

To leave the ziggurat, you must use the staircases. The darker the background, the higher you are. Be sure to trust God on your journey!
