

## Action Activity:

### Concentration

You will need to photocopy this page two times. Then cut out each card separately. (You may want to laminate these game pieces, or glue them to 3x5 cards.) Turn the cards over so no one sees the writing and mix them up. Each player will take a turn by turning over one card then picking up one more card to try to find a

match. If a match is made, those two cards are removed and set to the player's side. Play then passes to the next person. Whoever has the most matches at the end of the game, wins. Important note:

A match is made if the cards turned up refer to the same empire—they do NOT have to contain the same words.
