

**A** is for **Adam**; God made him from dust.  
He wasn't a monkey, he looked just like us.  
Although some scientists don't think it was so,  
It was God who was there, and He ought to know.

**I CAN THINK, COMPOSE MUSIC,  
BUILD BRIDGES, FLY AIRPLANES,  
AND MAKE COMPUTERS !!!!  
WHAT CAN YOU DO?**
