Answers in Genesis is the world's largest apologetics (Bible-defending) ministry. We are the parent ministry of the Creation Museum and Ark Encounter, with offices in the USA, Canada, Australia, Mexico, Peru, and the UK.

Fulfilling Patrick's Vision

In 2001, as we began building the Creation Museum, Mike Zovath (one of our cofounders) and I discussed what exhibits we would display there.

Now, we had previously met Buddy and Kay Davis and learned of their vision to use the dinosaurs Buddy sculpted in a museum of sorts to reach people with the truth of God's Word and the gospel. In reality, we didn't have the expertise to know how to build exhibits, but we knew God had called us to do this.

Our plan to build the Creation Museum had been reported in our local newspapers. Someone who saw this article sent it to Patrick Marsh, who was living in Japan at the time. Patrick wrote to us and said that he was a Christian and creationist and wanted to use his experience and talents by designing exhibits for the Creation Museum. He had **worked in theme parks** around the world, **including Universal Studios**. The rest is history!

Patrick built an outstanding team to design and construct the exhibits at the Creation Museum and Ark Encounter. As part of his vision for the

A Note from

Artist rendering of some of the strategic new additions to be built!

Ark Encounter, Patrick worked on a master plan to place the permanent shuttle drop-off from the parking lot near the center of the attraction that would include a beautiful welcome center. **He called this the Walled City and was working on it when he passed away last year.** The placement of this structure would also be the key to developing the rest of the Ark Encounter over time, including the possibility of a Tower of Babel attraction.

Soon after Patrick's passing, our leadership and design team met to work on fulfilling Patrick's vision for the permanent shuttle loading and unloading area, including both a welcome center and walled city.

Our designers had been working on the world's largest indoor model of Jerusalem for an exhibit at the Ark Encounter that would teach more about the life of Jesus, who he is, and the Christian message based on history. This would be "part two" of the *Borderland* exhibit now open at the Creation Museum. It will teach both the truth of

God's Word and an understanding of history at the time Jesus walked on earth as the God-man. Most importantly, it will powerfully present the gospel!

We all know Patrick's sincere burden was **to see people saved.** So our designers have now come up with an ingenious design to fulfill Patrick's vision and incorporate the Jerusalem model at the same time. What a wonderful way to honor Patrick and, most of all, to honor God's Son, which is what Patrick would want.

In response to what we believe God has laid on our hearts, our 2022 end-of-year campaign goal is to raise \$20 million to complete this project. We praise the Lord that a foundation and supporter have agreed to an \$8.5 million matching campaign—they will match every dollar given up to \$8.5 million in donations received through the end of this year. Scan the QR code for more details about this wonderful project and how to give toward it. ■

Homeschool Tips for the New Year

With the new year just around the corner, the 2022–2023 school year is nearly half over. Perhaps you’re hoping to make some changes for the second semester, or you’re eagerly looking forward to your first year of homeschooling next fall. Either way, here are three principles to always keep in mind as you decide what works best for your family:

1. You can think outside the (curriculum) box. The best resources for homeschooling aren’t always nicely packaged curricula. Sometimes a well-written book can do just as much (or more) than a textbook full of facts. This is true for a host of subjects, including Bible and apologetics.
2. Beware the roaring lion! Just because a curriculum is a “homeschool” curriculum doesn’t mean it’s Christian. And just because it’s “Christian” doesn’t mean it’s truly biblical. Our enemy, the “roaring lion,” will use anything to try and devour our children! So be aware.
3. Pray, pray, pray. If this is what the Lord has called you to do, be encouraged that God will give you the grace to do it and do it well. Keep coming before him with your worries, victories, and questions, remembering “if any of you lacks wisdom, let him ask God . . . and it will be given him” (James 1:5). Don’t just ask friends—take your requests to God.

AiG's Family Homeschool Experience 2022

A big variety of presentations and workshops!

And if you're looking for an exciting end to the school year that will refresh and excite you, don't miss our **Family Homeschool Experience** at the Ark Encounter, **May 8–12, 2023**. But act soon because spots are filling up. More than a homeschool conference, it's an experience—and you won't want to miss it!

The Supreme Authority in Heaven and on Earth

The God of the Bible, Yahweh, is Lord of all. He has repeatedly demonstrated his authority over the powers in heaven and on earth. **No one can thwart his plans.**

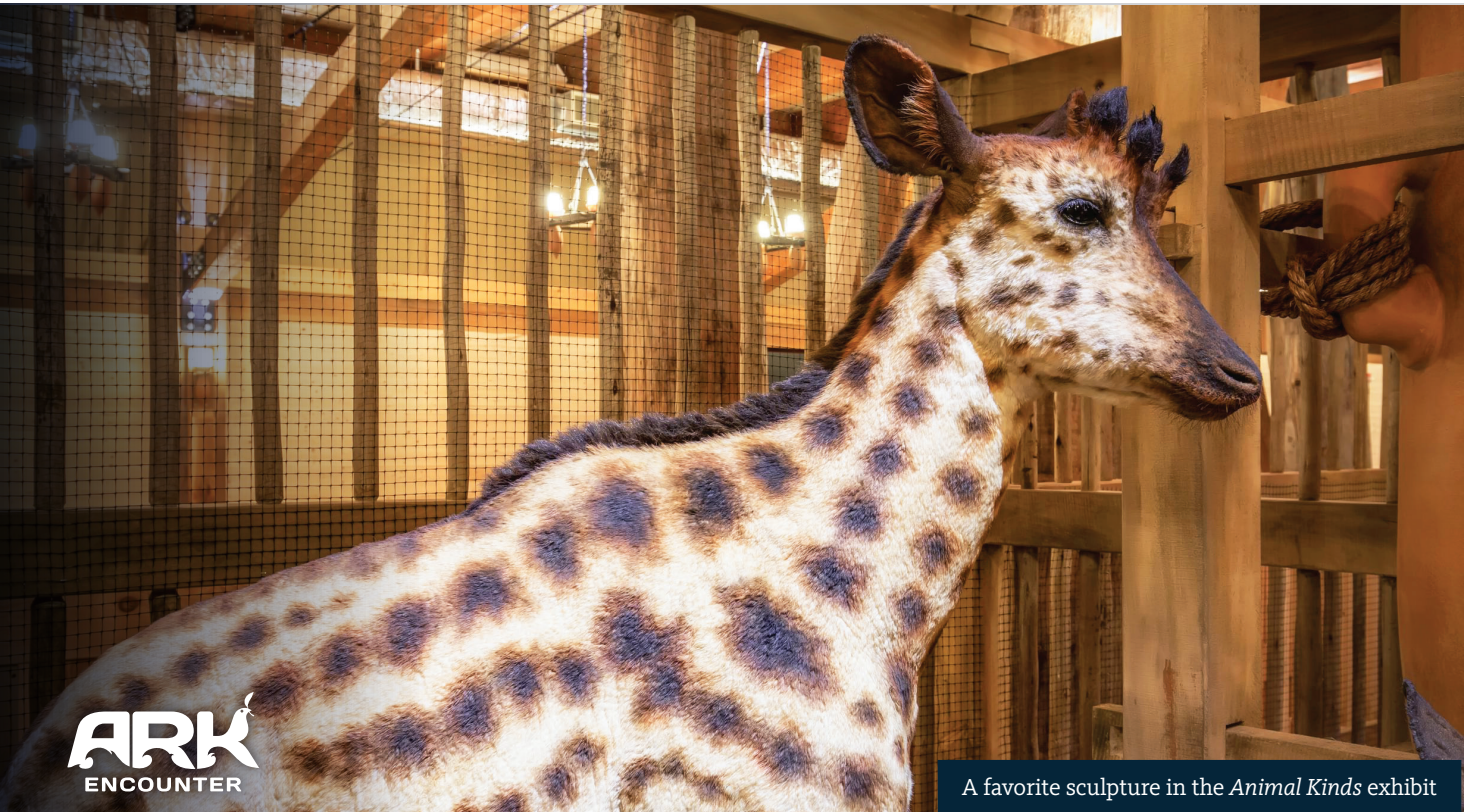

“I, I am the LORD, and besides me there is no savior. I declared and saved and proclaimed, when there was no strange god among you; and you are my witnesses,” declares the LORD, “and I am God. Also henceforth I am he; there is none who can deliver from my hand; I work, and who can turn it back?” (Isaiah 43:11–13).

Because God’s Word is the absolute truth and supreme authority, we know that God cannot lie (Titus 1:2).

One day, he will put all his enemies under his feet, including every individual who refuses to turn to him. This will include the spiritual forces behind the false religions of our world and human beings who attempt to usurp the role of God.

“Therefore God has highly exalted him and bestowed on him the name that is above every name, so that at the name of Jesus every knee should bow, in heaven and on earth and under the earth, and every tongue confess that Jesus Christ is Lord, to the glory of God the Father” (Philippians 2:9–11).

ARK
ENCOUNTER

A favorite sculpture in the *Animal Kinds* exhibit

Animal Kinds

“Take with you seven pairs of all clean animals, the male and his mate, and a pair of the animals that are not clean, the male and his mate . . . to keep their offspring alive on the face of all the earth” (Genesis 7:2–3).

Just as Adam’s sin brought death to both humans and animals, so man’s wickedness at the time of the flood would bring God’s judgment upon the whole world. Both man and beast would suffer the consequences of mankind’s sin and be destroyed.

But God provided a way of escape. He commanded Noah to bring a pair of each kind of the unclean

animals and seven pairs of clean animals (like the giraffe kind featured here on deck two) onto the ark.

Because God placed such great potential for variety within the DNA of each animal kind, these instructions both ensured that Noah and his family would have a manageable number of animals to care for during the flood (and have room for them all) and that the earth would be repopulated afterward with great diversity in the animal kingdom.

Visit the Ark Encounter and learn more about animal kinds and God’s provision for salvation—both then and now.

Fun Facts

- **Translation of Leineweber in German:** “linen weaver”
- **Favorite part of the AiG website Joel’s worked on:** KidsAnswers.org
- **Most unusual food eaten on mission trips abroad:** squid
- **Favorite exhibit in the Creation Museum:** Ebenezer, the *Allosaurus* skeleton
- **Hobbies:** wood carving, drawing, running

Joel Leineweber has always loved learning about dinosaurs!

The Line on Joel

In the world of website development, there’s a term for a “jack of all trades” type of person who works with everything web technology entails: a full-stack developer. That’s **Joel Leineweber’s** extensive role at Answers in Genesis.

Starting at AiG in 2004, Joel has spent almost half his life in this ministry. But his connection goes back even further. When he was twelve years old, he met founder Ken Ham at a seminar and got him to autograph the *Answers Book*.

As a child, Joel had a particular fascination with dinosaurs. **He read voraciously on the topic** of the Bible and dinosaurs. His father even made him a scale model of Noah’s ark that showed tiny toy animals—including small dinosaur models—

boarding. And voilà—today, he works at a ministry that has built a full-size 510-foot-long ark!

Dan Zordel, the VP charged with guiding Joel’s many talents, observed: “Joel is a **gifted designer and technology expert** who, because he has such a heart for people, loves to share Christ using those talents.” For his part, Joel declares that the biggest blessing of working at AiG is knowing that his work helps people trust God’s Word as the firm foundation for their faith.

Joel and his wife Michelle (who once also worked at AiG) are raising their five children in Northern Kentucky. ■

Answers TV— a Perfect Christmas Gift

Where in the world can you find over 5,000 programs from a creation-based biblical worldview, and all in one place? Only on Answers TV!

Our amazing streaming platform hosts Creator-honoring nature documentaries, children's programs, past AiG conferences, a weekly news program, and so much more. Everything is designed to help you **build a solid biblical worldview** and be equipped with answers to the questions of our day. It's really a must-have resource for families, homeschoolers, and churches.

Here are just a few ideas of how you can get the most from your Answers TV subscription:

- Enjoy science and nature programs such as *Hike & Seek*, *Schus Off!*, or *Animal Encounters Live!* just for fun or to supplement science teaching in homeschool.

- Use the conference videos, such as the twelve sessions from our 2022 Answers for Women conference, *Rooted*, to lead a Bible study for ladies in your home or church.
- Play Answers VBS music in your home to teach children Bible verses and biblical truths.
- Use *Tilt Shift* to help teens think biblically about the worldviews subtly presenting themselves in popular media.
- Give Answers TV subscriptions to family or friends for a year-round Christmas gift. (It's easy and **great at the last minute** too!)

With incredible programs such as *Freakshow* (a deep dive into scientific racism), *Creation Basics* (helping you make creation part of your everyday conversation), and *Building Blocks* (teaching through the Bible chronologically for kids—with new episodes coming in January), you'll love the variety of family-friendly programming that, best of all, points everyone toward the truth of God's Word and the gospel of Jesus. ■

Tenth Annual Día Latino a Huge Success

In October, over 1,000 Spanish-speaking guests visited both the Ark Encounter and Creation Museum to celebrate the **tenth anniversary** of Día Latino—AiG’s annual two-day outreach event for anyone whose primary language is Spanish. Guests were encouraged in their faith and equipped to defend God’s Word as they attended presentations by incredible speakers and performances by the IBO praise band. They also participated in an uplifting worship service and benefited from Spanish interpreters and signage at both world-class attractions.

The event kicked off with a special preconference evening with a powerful message on the sanctity of life by Pastor Otto Sanchez and Joe Owen (AiG–Latin America’s outreach director). To top it all off, attendees were among the first to experience the Creation Museum’s spectacular and newly expanded *Fearfully & Wonderfully Made* exhibit. The event was certainly a weekend to remember!

Creation College Expo 2022 Impacts 1,800 Students

College is an incredibly formative time, which is why it’s so important for Christian young people to attend schools with a solid biblical foundation. And this is why we offer our annual Creation College Expo—where students considering college have access to many of the leading Christian institutions across America all at once.

Last month, over 30 creation-affirming colleges and universities set up displays and put their best foot forward for more than 1,800 middle school and high school students at the Ark Encounter. The teens loved getting to visit **one-on-one** with representatives from the schools. They also enjoyed free admission to the Ark and discounted admission to the Creation Museum, and their families and chaperones received discounted admission to both attractions. Additionally, attendees of the expo heard from fascinating speakers, like Bill Jack of Worldview Academy and AiG’s Ken Ham, Patricia Engler, Tim Chaffey, and Bryan Osborne.

If you were unable to attend this year, check out CreationCollegeExpo.org for information on our 2023 event! ■

Save the Date for a Girls Weekend

Today's culture is a challenging minefield for young women. They are bombarded from every side with lies about their worth and identity. How can girls replace these lies with truth?

Moms and daughters—mark your calendars for the **Speak Truth in Your Heart** conference, taking place February 24–25, 2023, at the Ark Encounter's Answers Center.

This event targets **young ladies ages 11–22**, but any woman looking for resources to encourage the girls in her life is encouraged to attend. Bring your discipleship group, granddaughters, or friends and learn how to replace lies with truth from Sarah (Mally) Hancock, author and founder of Bright Lights discipleship ministry, Ken Ham, founder of AiG, and others.

Young women will be challenged to expose the lies they believe, replace those lies with truth, find their identity in Jesus, resist temptations, live in purity, and boldly share their faith. Conference attendees will also enjoy free admission to tour the world-class Ark Encounter.

Register online at GetAnswers.org/speaktruth by February 1, 2023, to ensure your spot. ■

Many Hundreds of Women Will Be Encouraged

We are praising God that the 2023 Answers for Women conference (March 30–April 1) is already sold out! In our broken world, this year's theme, *Abide: Holding Fast in Suffering*, is an important one. We are so very thankful that so many women will be strengthened in their faith and relationship with Jesus as they learn how to rejoice in suffering.

Attendees will hear from speakers like Allie Beth Stuckey of the *Relatable* podcast, Heidi St. John of MomStrong International, Dr. Georgia Purdom of AiG, and June Hunt of Hope for the Heart, plus Ken Ham and many others. The **Answers for Women** conference is a wonderful opportunity for women of all ages to be equipped to stand firm in their faith when times get tough.

Please pray that this event will be a wonderful encouragement to all who attend as they fellowship together and build a theology of suffering rooted in God's unchanging Word.

Answering the Big Questions

Answers magazine seeks to answer the big questions—and since the massive earthquake that shook the San Francisco Bay area in 1906, many people speculate and worry about the San Andreas fault. **When will the next “big one” strike?** In this issue of *Answers*, AiG geologist Dr. Andrew Snelling examines the predictions of seismologists and what Scripture says about these catastrophes in “When Is the Big One Coming?” It’s fascinating!

Also, millions of Christians are wondering how they should respond to Greta Thunberg and other **climate change alarmists** who claim that the earth is on the brink of disaster. In “Sounding the Alarm on Climate Alarmists,” subscribers discover how to

discern and mindfully practice biblical stewardship while trusting in our all-powerful Creator.

And in this quarter’s *Kids Answers*, young readers (and their parents) will investigate the Bible to answer the big question “Why did God put the tree in the garden of Eden?” plus **lots of fun activities too!**

Don’t miss out! Head to AnswersMagazine.com or use the attached order form to subscribe or renew your subscription today. ■

PRAYER POINTS *PLEASE PRAY WITH US.*

- **Merry Christmas and a blessed New Year** to you and your family! We praise God for his wonderful blessings, wisdom, protection, and guidance as we have been honored to minister to over a million guests who came to the Ark Encounter, Creation Museum, our many conferences, music festivals, and much more. Plus, many millions were reached via the internet, radio, television, and our *Answers* TV streaming platform. We cannot wait to see what God will do in 2023.
- Please continue to pray for our staff, volunteers, and contract workers **to have wisdom and protection** as they finish up each of the projects we eagerly anticipate opening in the spring.
- Pray that the Lord will lay on the hearts of many of our donors to give toward the special end-of-year matching gift. Every one of these gifts, no matter how small or large, will help us **share the truth of God’s Word and the soul-saving gospel.**
- Praise God for the opportunity to celebrate Jesus’ birth through our ChristmasTown and ChristmasTime outreach events this month. Pray for all who will be inviting family, friends, and neighbors to experience Christmas with them. And may they **respond to the gospel** as they see and hear what Christmas is really all about!

An Amazing Opportunity to Maximize Your IRA Gift

If you are 70-and-a-half or older, the IRS allows you to make a qualified charitable distribution from your traditional IRA directly to Answers in Genesis. Your gift will not count as income but will count toward your required minimum distribution.

These gifts are very easy to make. You can advise your IRA administrator to make a direct distribution to AiG. You may make such gifts up to \$100,000 each year. Because these distributions are not counted as income, you cannot also take a charitable deduction.

However, because of our current matching gift campaign, these **IRA gifts will be doubled** up to \$8.5 million before December 31, 2022.

Imagine the impact!

For a FREE booklet on making gifts from your IRA, please email us at plannedgiving@answersingenesis.org or call (859) 727-5455. ■

FROM YOU *EXCITING RESPONSES*

“We use [Answers Bible Curriculum] in our Sunday school. It is by far the best curriculum we have ever used! These kids get it and understand it. I love how it helps the kids learn how to live their life for Jesus, and it’s not the repetition of the same Bible stories over and over. It goes deeper.”

— Jennifer L. via Facebook

“These magazines are great and perfect for leaving out on the coffee table. Answers in Genesis is the best ministry in the world. I am so grateful to AiG because they made sense of the world to my teenage children in a way I never could, winning them to Christ. I love this ministry, and everyone in it is my family in Christ.”

Answers Family Bible Devotionals

Mike & Libby Wild • Our kids are our first disciples, and if we want them to thrive in a world that’s increasingly hostile to the gospel, they must know what they believe and why. Use these worldview-shaping “read and discuss” devotionals as part of a special family time—at the dinner table or to start or end each day. In order for our children to stand firm on God’s Word, they must know and trust it for themselves. *Normally \$14.99 each, approximately 238 pages each, softcover (Ages 10+)*
