

# MINISTRY OPPORTUNITIES

## END-OF-YEAR 2024

**Our prayer is that we can impact more people with the gospel and equip them to defend God's Word.**

### Creation Museum Upgrade Expansion \$8,000,000 | This project will:

- Expand the Creation Museum to accommodate more guests
- Include building a large main dining venue to serve more people more efficiently
- Free up more space within the existing museum, café and current office space to allow for a children's museum, other exhibits, and expansion
- Allow for an updated and expanded bookstore
- Improve guest pathways and flow to exhibits and theaters

### Ark Encounter Expansion \$5,000,000 | This project will:

- Relocate the Truth Traveler Virtual Reality (VR) experience to the Ark's 4th deck to reach and impact more people
- Upgrade the VR experience with the most current technology
- Prepare for future expansion and updates as needed, including technology and infrastructure
- Free up current building to use for more children's exhibits
- Provide roof deck access for Truth Traveler participants

### AI Genesis Project \$3,000,000 | This project will:

- Allow AiG to begin to create a faith-based, Biblical-worldview AI platform
- Lay the foundation for new state-of-the-art interactive opportunities at both the Creation Museum and Ark Encounter, with a special focus on children
- Allow AiG to create educational tools which can be used to train up children in the knowledge of the Bible
- Finish development of a realistic Noah "avatar" who will interact with guests and answer questions about certain subjects such as the ark and flood

**Every dollar you give to our end-of-year campaign will be matched 100%—up to \$8 million through the end of 2024.**

**Total 2024 EOY Campaign: \$16,000,000**
