

BEST CHOICE AND VALUE: The 3-Day Bouncer Pass Plus Additional 3-Day Bouncer Parking Pass

Visit both the Creation Museum and Ark Encounter for three days within a one-week time frame.

BEFORE YOU ARRIVE

Purchase tickets and parking pass online for a smoother experience. Many programs are included in your admission, but check the hours and daily schedule for each attraction on their websites (CreationMuseum.org» and ArkEncounter.com») to determine if you require reservations for additional ticketed programs to avoid disappointment. We recommend you reserve a time for your ticketed zip line tour ahead of time. You can also get a discount voucher online for the Truth Traveler VR program located at the Ark Encounter.

Note that we recommend visiting the Creation Museum first as the Creation Museum's walk through history will lay the foundation for the rest of the rich teaching at both attractions!
