

Dear _____:

I wanted to give you a gift subscription to my favorite periodical – *Answers* magazine! *Answers* will arrive in your mailbox quarterly. *Answers* magazine is a creation-based Christian worldview periodical committed to upholding the truth and authority of God’s Word in a culture that is drifting further from His truth each day. There is something for practically any age or background. From the special expanded *Kids Answers* magazine, to the beautifully illustrated science articles, *Answers* confirms that the Bible is true! If you would desire further information such as a free monthly newsletter from *Answers* in Genesis or a free information pack concerning their ministry, then please call (toll free) 1-800-778-3390. I hope you’ll agree that this is a gift that your entire family can enjoy!

In Christ,

P.S. Are you familiar with their world-famous Christian outreaches, the Creation Museum and Ark Encounter? Visit CreationMuseum.org and ArkEncounter.com anytime to find out more.
