3. Christian and Hopeful experience the country of Beulah toward the end of their journey to the Celestial City. Do you think it is possible for a Christian to experience Beulah throughout his journey and not just at the end? Explain your answer.

4. In this section, we again find Christian and Hopeful being asked about their journey. Knowing the testimony of people he met seems to have been important to John Bunyan. Why do think this might be so?

Has it been important to you? Why or why not? Should it be?
