

FAITHFUL, ADAM & MOSES
DIGGING DEEPER

1. Christian stumbled and fell when he began to think that he was faster than Faithful. When have you experienced the principles of Proverbs 16:18 in your life?

2. Faithful tells Christian that those in the city of Destruction didn't believe that judgment was coming. Jesus compares those who deny His Second Coming to those in the days of Noah who denied that God would judge the world with an Earth-covering Flood. Read Matthew 24:36–44. What happened to those who didn't join Noah and his family on the Ark? What will happen to those who don't respond to the invitation given by Jesus Christ, the only true Ark of Salvation?

3. How did Faithful resist Wanton?

4. Lust is a stronghold in the lives of many people (including Christians) today. What lessons can we learn from Joseph (Genesis 39:6–13), Job (Job 31:1) and Paul (Colossians 3:1–17) that can help overcome this sin problem?

DIGGING DEEPER

5. Read 1 Corinthians 15:45. Compare and contrast the First Adam with the Last Adam. (See www.AnswersInGenesis.org/First_Adam for help.)

6. Read Ephesians 4:17–5:19 and Colossians 3:1–17. Make a list of the behaviors and attitudes Christians are to “put off” and a list of behaviors and attitudes Christians are to “put on.” Work on compiling verses that teach the various “put on’s” that you can meditate on to help you become more like Christ. Ask the Lord to help you put off the old behaviors and put on the things that please Him.
