

SALVATION
DIGGING DEEPER

1. What is the significance of Christian's burden tumbling into the tomb, rather than just falling off at the foot of the Cross?

2. What four things happened to Christian at the Cross?

3. Have you been relieved from your burden of sin?

4. In what ways have you manifested the characteristics of Simple, Sloth or Presumption?

5. How do you "so little esteem the kindness" of those that so freely offer help by awakening and counseling you? Think of specific instances when you've rejected someone's help. How could you have acted differently?
