2. Why is it important that in his fight with him who “had the power of death,” the Lord of the hill “did it with loss of much blood”? (See [www.AnswersInGenesis.org/Sacrifice](http://www.AnswersInGenesis.org/Sacrifice) for help.)

3. Christian was shown the “pedigree of the Lord of the hill.” Read Matthew 1:1–17 and Luke 3:23–38. In today’s society, many biblical passages are often allegorized or mythologized. One area is that of Genesis—many say that Adam and Eve were not real historical people, but merely metaphors. How would you respond to someone who claimed this? (See [www.AnswersInGenesis.org/metaphor](http://www.AnswersInGenesis.org/metaphor) for help.)

4. The above passages in Matthew and Luke show that Jesus was born a descendant of men. How do we know Jesus is the Son of God? (See [www.AnswersInGenesis.org/JesusChrist](http://www.AnswersInGenesis.org/JesusChrist) for help.)
