

Special Note from the Author

We are thrilled to provide you (and your family) with this very special, free bundle from *The 10 Minute Bible Journey*.

The team at Answers in Genesis has assembled this unique combination of ebook and PDF chapters, plus the audio files of these chapters. I encourage you to print and read these to your family during these unique and uncertain days that have become known as the “coronavirus crisis.”

By taking just 8–10 minutes or so at mealtime or just before bedtime, you will come together in a very special way that turns hearts and minds to our all-powerful Creator and sustaining Savior, Jesus!

I’ve even encouraged AiG to include the “line art” that was the basis for the artist illustrations of each of these eight accounts. You don’t have to be a kid to enjoy coloring these pages while listening.

Of course, I hope you will want to continue your journey by ordering and reading the full book. May your family be blessed as you begin a journey through Scripture that excites a whole new love for the Bible!

All 4 Him,

Dale T. Mason, author
