Present LOST Curriculum							
WEEK 1  LOST HISTORY		Reflect on how we can recapture history by studying the true history of the world and by studying what Jesus taught about the Creation account in Genesis.					
WEEK 2  LOST TRUST		Reflect on what happens when we lose trust in the Bible as the Ultimate Authority. Answer the question: Who do we trust and who do we not trust?					
WEEK 3  LOST TRUTH		The world today has chosen to be “willingly ignorant” of the creation, the flood, and the coming judgement. So how can people be convinced of the ‘Truth’ in a world that says there is no ‘Truth’?					
WEEK 4  LOST PURPOSE		Reflect on where we find a reason to live. Once Truth is lost, Purpose follows. Many have lost their true meaning and purpose in life.					
WEEK 5  LOST IDENTITY		Not knowing who we are leaves us searching and broken. This world offers many “solutions,” but only one is true—only one can show your true identity.					
WEEK 6  LOST PARADISE		So how can we live a victorious, joyful life in a Paradise that has been wrecked and is getting progressively worse? Paradise has become a sin-cursed world filled with suffering and hate.					
WEEK 7  FOUND!		Impact individuals to not be ‘culture-shaped;’ but rather, to be a ‘culture shaper.’ We can live victorious, purposeful lives, and live in Heaven for eternity!				Genesis Movie Watch Party!
