

Day 1—Primary

Stand for God!

Name _____

Hello, Divers! We hope you had a blast today at *Ocean Commotion!* You dived deep into the book of Genesis, in the Bible, to find out how sin entered the world and why Noah found grace in the eyes of the Lord. Our animal pal, Hydro, reminded us that there was a whale of a problem on Earth when Noah was alive 4,300 years ago. In the beginning, God created a perfect world with amazing plants, animals, and people! Everything was good and there was no sin. But one day, Adam and Eve, the first two people God created, disobeyed God and listened to the evil Satan. Sin entered our world. The first people were very smart, not ape-like. God created them in His own image! They built cities, fashioned instruments, and made things out of bronze and iron. But, sadly, they kept disobeying God. By Noah's time, every thought of every person's heart (except Noah) was evil continually. Noah pleased God and was different from those around him.

We need to stand for God (love and obey Him) no matter what others do. With God's help, you can be brave, be strong, and stand for Him (even when others are not)!

Just like Noah, we can rely on God to help us stand for Him.

1. With someone's help, find the book of Genesis in the Bible. Read Genesis 6:8–9. Tell someone three words that describe Noah. Do those words describe you, too?
2. Talk to God (that's prayer!) and ask Him to help you follow Him like Noah did— standing for God no matter what by His grace.
3. Ask an adult who follows Jesus to share a time he (or she) had to stand for God. What happened?
4. Check answersvbs.com/ockids for more fun information.

Ask yourself this question: When I get in hard situations at school or wherever, am I going to ask God to help me stand for Him—even if I'm the only one?
