Leading a Child to Christ

“For I am not ashamed of the gospel, for it is the power of God for salvation to everyone who believes.” Romans 1:16

VBS presents an ideal opportunity to share the life-changing gospel of Jesus Christ with all attending. Every leader and team member should be ready to clearly present the gospel and counsel those wanting to learn more. Children are usually soft-hearted toward things of the Lord, and some will be interested in becoming a follower of Christ. Be ready, because eternal matters matter most!

**BEFORE**

- **Pray.** Salvation is God’s work, not ours. We cannot bring about salvation for anyone. We need to ask God to prepare the children and open their hearts to him.
- **Be prepared.** Learn more about presenting the gospel and counseling a child about salvation.

**DURING**

The gospel will be presented during the lesson time. Opportunities may arise, however, to share with a child one-on-one or with a small group of children. If so, keep the following in mind:

- Becoming a child of God involves repenting of one’s sin and having faith in the death and resurrection of Jesus Christ. Repentance involves understanding what sin is (disobeying God’s commands) and desiring to turn from that sin.
- You can use *How Can I Become a Child of God?* to explain the plan of salvation. Along with this, use your Bible. Children need to see and hear God’s Word, so have your Bible opened and marked ahead of time with the appropriate scriptures.
- Avoid abstract phrases like “asking Jesus into your heart.” Instead, use terminology like “becoming a child of God.” Most children still think in concrete terms and need examples that are easy to understand.
- If a child indicates an interest to know more after hearing the gospel presentation, ask questions (such as one or more of the following) that require more than a “yes” or “no” answer:
  - What do you want to talk to me about?
  - Do you know what sin is?
  - Can you think of a specific sin (wrong) you have done? Are you bothered by your sin?

  **These questions are important.** A child who cannot verbalize a sin or does not seem to be repentant about being a sinner may not fully understand his need for a Savior. In this situation, you might list a child-oriented example of sin and ask him to notice any time he catches himself sinning over the next few days. Give him *How Can I Become a Child of God?* Pray with him, then send him on his way.

  Check back a day or two later, if possible.

  - Why did Jesus come to earth? Why did Jesus need to die? Why did Jesus rise again?
  - Why do you want Jesus to be your Savior?
  - Why should God let you into his family? (Make sure the child understands that salvation is not based on what he does, but is a gracious gift of God through faith in the death and resurrection of Jesus.)
  
  - Pray for discernment while listening to a child’s answers.
  
  - When a child seems to have a basic understanding of salvation (belief in Jesus’ death and resurrection, admission of and repentance from sin, and a desire to follow the Lord), encourage him to talk to his parents about what it means to become a child of God (if they are followers of Christ). Encourage a child who comes from a non-Christian home to verbalize his understanding to the Lord through prayer. There is no one prayer that should be prayed. Encourage him to ask the Lord to forgive him and help him know he is a child of God.

  - Let him see in your words and your face that you are excited that he wants to become a child of God! Read Luke 15:10 to him.

  - Some children may not want to make decisions but may want to learn more, to be assured of salvation, or to confess sin. Read Romans 10:9–10 and John 10:28–29 with children who are seeking assurance of their salvation. Encourage them to ask the Lord to help them know they are his children. If a child wants to confess sin, read 1 John 1:9 with him and encourage him to ask the Lord to help him know he is forgiven when he repents.

**AFTER**

- **Review what it means to be a child of God.**
  - Can anything separate God from his children? (Romans 8:38–39)
  - What happens when God’s children sin? (1 John 1:9)
  - What do children of God believe? (Romans 10:9)

- **Explain that Jesus loves his children and wants to spend time with them.** Discuss practical ways to grow as a child of God. Provide him with *Growing Up in God’s Family*, and share the following:

  > Read your Bible, and obey what you read. You can start your Bible reading with the short Bible study you will receive the last day of VBS. (Make sure he has a Bible at home, and if not, provide one. Write his name, the date, and the occasion [VBS] on the presentation page.)

  > Pray every day. Prayer is talking to God.

  > Go to a church that believes and teaches the Bible as the Word of God.

  > Tell others about Jesus. Tell your friends, family, and neighbors how they can become children of God.

- **Fill out a Decision Card.** Turn in to the VBS director.

- **Stay in touch with the child through postcards, visits, or phone calls.** Invite him to upcoming church events.

Fun in the Sun

What is it about a tropical island that is so captivating—the beach, sunny skies, sparkling water, and awesome resorts? Or how about the beauty, sunsets, island animals, and glittering stars? It certainly is a special place on earth.

On Mystery Island, prepare to be thrilled from the top of your sun-drenched head to the tip of your sandy toes as we explore an intriguing and mysterious tropical paradise while tracking down the one true God.

Day 1: God is GREAT!—As we stop in Acts 17 and find a city full of idols, we’ll hunt for clues about our great God and discover we must have the right view of him. We can’t make up a god of our own choosing.

Day 2: God is ALMIGHTY!—Our mighty God knows everything, is everywhere, and has the power to do anything. As we study the account of Jonah, we’ll oooohhh and aahhhh as we focus on the three big Os of God—his omniscience, his omnipotence, and his omnipresence.

Day 3: God is RULER!—We’ll check in with Isaiah and realize God is not like us. Our minds will be blown away by his vastness, beauty, and holiness.

Day 4: God is EMMANUEL!—God is high and mighty, Lord of all creation. And yet, he also came to earth (Emmanuel means “God with us”) and desires a relationship with the people he has made. He is good and he loves us.

Day 5: God is TRUSTWORTHY!—With the account of David, we’ll learn that God is great, God is good, and God is perfect in all things, so we can trust him with our lives. He is our rock.

From the minute our islanders arrive at Mystery Island, they’ll find fun waiting to happen. The day begins at the Islander Assembly, a supercharged opening complete with entertaining welcomes, rockin’ songs, a mission moment, and prayer. Then we’re off to four fun rotation sites:

Lighthouse Lessons, the teaching time. Here, islanders will track down truths about the one true God and discover he is a priceless treasure.

Tropical Treats, the snack spot. Islanders will enjoy island eatables at this yummy stop.

Ride the Tide Games, the recreation location. At this location, islanders attempt fun surf and sand challenges.

Deep Sea Science and Crafts, the science, craft, music, mission, and memory verse spot. This location features a wide array of activities to choose from: electrifying science experiments to explore, creative crafts to invent, high-energy songs to sing, fun memory verse games to play, or mission time to investigate (for those who want to spend more time than is given during the Assembly).

After finishing the day’s rotations, everyone heads back to the Islander Assembly for the closing that includes more singing, a Creature Feature, contest results, and the greatly anticipated daily drama, which is a highlight of the kids’ day. The drama features two siblings who are invited to an island treasure hunt as part of their inheritance from a rich uncle. In the midst of their search, much mystery, intrigue, adventure, and humor occur, and valuable lessons are learned.

So grab your beach tote, and let’s head out for some fun in the sun at Mystery Island!

Our Goal

We are so thankful for how God has chosen to use the Answers VBS programs over the past years! But why did we decide to embark on such an undertaking in the first place, and why are we still at it, by God’s grace?

Our primary goal has always been to bring God glory by boldly and unashamedly proclaiming him to a strategic group—young people! From both a biblical and statistical point of view, young people are a big deal. They’re not only awesome—we love ’em!—but they’re also dearly cherished by our Lord and tend to be soft-hearted toward spiritual things. Researchers generally agree most people become Christians when they’re children, so it’s apparent this age group is a huge mission field!

Children are loved by their Creator. Jesus said to let them come to him (Luke 18:16). We want children to come to Christ and not be hindered in any way from doing so. To that end, we combine a biblically rich VBS with off-the-chart, irresistible fun. In a day and age when content sometimes suffers, it’s critically important to us not to sacrifice rich teaching. But it’s also crucial that the most exciting book in the world not come across as boring or irrelevant. We want to reflect our creative, inspiring, joy-giving God who made laughter and fun!

So why do we do it? We want kids around the world to hear about and personally meet our awesome God and to understand how they can receive eternal life through repentance and faith in Christ Jesus. We believe VBS is a
great way to introduce them to God, as it is one of the big-
gest outreaches of the year for most churches.
We pray you will find that every prayer prayed, every
minute invested, every dollar spent, and every word
spoken will bring God glory as you reach kids for Christ.
Just remember—VBS is worth it! May God richly bless
your VBS. We're praying for you!

Your Role

Your role as the teacher is outlined in the following
pages and includes planning and preparing the daily les-
sions, enthusiastically engaging in teaching the lessons,
and praying over all aspects of your job.

Read this guide carefully and prayerfully, using our sug-
gestions combined with the ideas the Holy Spirit brings to
your mind.
So get ready! Get set! Get excited! God is about to use
you and your church to impact lives.

Frequently Asked Questions

The content of Mystery Island may be new to you. For a list of helpful articles on the topics covered in this VBS pro-
gram, please visit AnswersVBS.com/mifaq.

Terms to Know

Throughout the VBS curriculum, various terms will be used. Here’s a list of some of the most common terms to know.

**Islanders:** The kids at VBS. Islanders are put in groups
named after tropical islands (e.g., Puerto Rico, Bora Bora, Fiji).

**Group Guides:** Adults who guide the islanders from
place to place during VBS. No teaching is required for
this position.

**Lighthouse Keepers:** Teachers at the Lighthouse Lesson
time.

**Lighthouse Lessons:** Rotation site where Bible and apolo-
getics teaching occurs.

**Islander Assembly:** Spot where everyone joins together
for the opening and closing assemblies.

**Deep Sea Science and Crafts:** Rotation site where kids
make crafts, perform science experiments, sing songs,
learn memory verses, and explore missions around the
world.

**Tropical Treats:** Indoor or outdoor site where island eat-
able are served.

**Ride the Tide Games:** Indoor or outdoor site (outdoor is
preferred) to dive into surf and sand games.

**Treasured Verses:** Daily memory verses.

**Animal Pals:** Friendly animal mascots used to emphasize
the key point of each day’s lesson.

**Creature Feature:** Daily time during the opening or clos-
ing assembly when we marvel together at God’s design
of various thematic animals.

**Toddlers:** 2–4 year olds.

**Pre-Primaries:** 4–6 year olds, or kids who are age 4
through those who have completed kindergarten.

**Primaries:** 6–9 year olds, or kids who have completed
grades 1–3.

**Juniors:** 9–12 year olds, or kids who have completed
grades 4–6.

For multi-age K–6th teams, we recommend using the
material for the Primaries.
1. Psalm 145:1 tells us to extol the Lord. “Extol” means to “enthusiastically praise.” Speak with awe, amazement, excitement, and joy when talking about the Lord. Your enthusiasm about our great God will be contagious!

2. Pray and study God’s Word. This is your most important preparation. God has entrusted you with the awesome privilege of opening his Word and sharing it daily with the children. Walk worthy!

3. Read through all your lesson plans well in advance and become familiar with the Digital Resources. Begin to pray and plan now, and continue to pray during and after VBS.

4. In this guide:
   » Teaching Tips are marked with a ★.
   » Materials for each activity are listed next to the activity.
   » The “teacher says” portion is bolded.

5. You may want to assign the task of gathering supplies for all the teachers to one person, or have the teachers divide up the supply list, with each being responsible for multiples of certain items. It’s also helpful to get all the supplies ready in a box or bag ahead of time rather than gathering them day-by-day the week of VBS.

6. See Decorating Decisions for a picture and description of the teaching set. Also, when setting up the room, you may want to clear away tables and chairs, depending on the room size and number of children expected.

7. Attend the Teacher Workshop and the Gospel Workshop. Be prepared to share the good news of salvation!

8. Dress as if you live on a tropical island. Think casual island clothes (but not swimsuits). Check the VBS catalog for a cool island shirt and hat for teachers. Sunglasses or a lei can complete the look.

9. Take on a persona to bring lessons to life. You may want to make up a fun name, dress in character and talk in first person, adopt an accent, or add something new to your “costume” each day. Teach in a way that makes you feel comfortable.

10. Call the children by name. Name tags help with this.

11. Make sure to keep eye contact as you share the lessons, helping each child sense your warmth and care.

12. Children will be at various levels of spiritual comprehension. Pray for the Lord to take the message and do with it as he wills: plant seeds, bring to salvation, or strengthen and grow those who are already believers.

13. Have Bible passages from the lessons bookmarked ahead of time, and use your Bible throughout the lessons at the appropriate times. Show through your facial expressions and your actions the importance of the Scriptures.

14. Show love. All children, regardless of age or appearance, need to be loved. Greet them warmly each day, and always be ready with smiles, encouraging words, and appropriate hugs. (Be aware of your church’s appropriate touching policies.)

15. Be all there. Try to leave behind whatever is currently going on in your life, and focus your attention on the children under your care.

16. When kids are sitting on the floor for drawing or writing activities, give them a firm surface (clipboards, old magazines, or books) to use underneath the papers. Cut corrugated cardboard or coroplast sheets into 9x12-in. pieces, and add a binder clip for inexpensive clipboards.

17. Notice the good. Children want attention and will sometimes resort to acting up in an effort to receive attention, even if it is negative attention. Be proactive by noticing and praising the things they do right. Be an encourager.

18. Children like order. Think through potential trouble spots in your day, and decide on a firm, loving discipline strategy. Ask for help from experienced individuals.

19. Children generally rise to the level expected of them, so challenge them to work on memory verses and their take-home student guides and challenges. Some may even want to try the bonus memory passage, which is from Psalm 145, an incredible psalm extolling God.

20. Have fun! Teaching should be a joy for you. “Rejoice always, pray without ceasing, give thanks in all circumstances” (1 Thessalonians 5:16–18).
Age-Level Characteristics

Kids are awesome! Each one is unique and is a special creation from the hand of our amazing Creator. With all their uniqueness, however, they also share some common characteristics. That doesn’t mean every child always exhibits the following characteristics at the suggested age, but these guidelines can be a benchmark to use when looking at characteristics of children as a whole. It can be helpful to see how God has wired different age groups so we can be more effective in teaching and interacting with them.

First, you’ll see characteristics of children in general and then characteristics of Primaries (ages 6–9 years) specifically.

Characteristics of Children

Children have some common characteristics.

- They are all sinners (Romans 3:23).
- God has given each a conscience, and they generally want good to win over evil.
- God has shown himself to all children through his creation, making it obvious to all that there is a Creator.
- Children enjoy active learning—moving around, seeing things, touching things, smelling and hearing things, and being involved.
- Children need to be loved, encouraged, and praised.
- Children are rapidly growing and changing.
- Children trust the adults who are responsible for them.
- Children can get discouraged with criticism and failure.
- Children are eager to learn and are curious about the world and about God.

Characteristics of Primaries

Physical Characteristics

Primaries love games and competitions, but it can be hard for them to lose. They are continuing to grow and improve in hand-eye coordination and fine and gross motor skills. They need to have opportunities for movement.

Takeaways for Us

- Use games to teach! Primaries love any kind of games, whether active or learning-type games.
- Help them learn to take turns and to be good winners and good losers! Both winning and losing well are important in God’s sight.
- Use boy vs. girl competitions to get them revved up! As long as you keep it light and fun, they will enjoy these times!

Emotional/Social Characteristics

Primaries are becoming more independent and confident in their ability to do things. Girls play most often with girls and boys with boys, but there is some mixing of girl/boy friends. They like to have a best friend and enjoy pretend play. Primaries enjoy jokes and are gaining a sense of humor. They care about being accepted by the group and want adult/teacher approval.

Takeaways for Us

- Give Primaries plenty of opportunities to work in groups or with partners.
- Use humor with Primaries. The sillier, the better!
- Be careful to walk worthy—act and speak in godly ways.

Spiritual/Mental Characteristics

Primaries like to talk and ask questions. They understand simple concepts and sentences and are concrete in their thinking, rather than being able to understand abstract or symbolic thinking. They’re learning to read. They need active learning. They’re gaining a growing attention span. They understand the consequences of their actions. They can tell the difference between reality and fantasy. They often have a strict sense of right and wrong.

Takeaways for Us

- Be concrete in what you say. Don’t use abstract or symbolic language. For example, regarding salvation, don’t ask if they have Jesus in their hearts. They will take that literally. Becoming a child of God, or being in God’s family, is a more concrete way to express the same concept as they will understand what it means to be in a family.
- Activities can stretch for a longer time as they are getting older, but it’s still good to vary activities and involve Primaries actively and with movement as much as possible.
- Some children read better than others. Be careful about asking children to read out loud. Try asking for volunteers.
- Small print can be a challenge, so use larger print when possible.
- Encourage memorization.
- Use visuals.
- Show interest in each child, helping them sense your care and interest in them.
- Be careful to speak accurately and truthfully, and explain Bible words and concepts.
- Remember that you are a role model.
- Show care and respect for your Bible, and help them see your love for it and for the Lord.
Special Needs

The Special Needs Teacher Supplement (11-8-053) can help you accommodate and modify these lessons for those who need it, either in your regular classroom or in a self-contained classroom.

Tips for Managing a Group of Kids

Kids are fun, and kids have energy! Whether you are a group guide, a classroom teacher, or an assistant, be prepared to confidently lead them with attention getters, proactive tips, and classroom control ideas. Check the Digital Resources and the Helper Handbook for specifics.

Lighthouse Lessons

At Lighthouse Lessons, kids will have fun tracking down the one true, amazing, beyond-description God. This lesson time is written as a 35–40 minute period, divided into three sections.

Introduce It! (5–10 minutes): Each day, the kids will be greeted with a mystery riddle or activity to get the lesson started.

Teach It! (25–30 minutes): The Bible teaching and apologetics content is presented during this time in creative, appealing ways.

Apply It! (Remaining class time): This is the memory verse review and practical application time.

The lessons are jam-packed, so try to be organized and keep things moving. Ideas are written into each lesson to help you adapt if you have a longer or shorter lesson time than the 35–40 minute block. Because of the content-rich lessons, a little extra time is great if you can swing it! But if not, there are lots of options, so you may want to shorten or skip some activities.

The lesson format is written for a two-person team. One person serves as Teacher One and the other as Teacher Two or the Teaching Assistant. The lesson format can also work if teaching alone. If you are team teaching, decide ahead of time who will be responsible for what. If you are teaching alone, simply find someone (e.g., staff person, group guide) to help on any day you can use an extra set of hands.

Memory Verse Songs

We have partnered with Seeds Family Worship (contemporary, ESV, 11-8-069) and Majesty Music (traditional, KJV, 11-8-063) to create songs for each of the memory verses. They feature the full verses. (Pre-Primaries and Toddlers are taught condensed versions of these verses.) Singing Scripture is an excellent way for children to learn their Bible verses easily. You can use the songs (either video or audio) during the memory verse time in each lesson. The Leader Pack (DVD, DVD-ROM, Music CD) comes with the purchase of a Super Starter Kit and can also be purchased separately. You can also purchase and download the songs individually from our online store for use on a handheld device (answersbookstore.com). Student CDs in packs of 10 are available if you would like each student to have a copy of the songs (11-8-070 or 11-8-064). The option you choose will determine which type of media device you use to play it.

Student Extras

Check with your VBS director, and choose one or more of these fun optional materials to give to your students so they can take home a review of the daily lesson content.

Also, decide with your director when it will work best to give out the various items: at the beginning of the day, during lesson time, during snack time (a good time to review), or at the end of the day (a good time to pass out student guides, bookmarks, and other items that need to make it home safely).

Treasure Maps: These maps of Mystery Island come with daily medallion stickers. Use these everyday to review if you have time, or wait until the last day (as written in the curriculum). Check with your director to see if she would like to give these to the kids during another rotation.

- ESV—11-8-078, pack of 10
- KJV—11-8-140, pack of 10

Student Guides: These age-appropriate guides feature a lesson review on the front of each daily take-home paper, as well as the memory verse, verse review game suggestion, and “Go and Do” section on the back that parallels the Apply It! part of the lesson. You can either go over these during class time or send them home to be completed with a parent or caretaker, which is what our test churches do. If you send the guides home, motivate the kids to do them because they are full of good stuff! Give them to the group guides to pass out at the end of the day. Then have them check with the kids the following day to see how they did, and consider asking your VBS director to give contest bonus points to the individuals and teams for their hard work.

- Junior ESV—11-8-071, pack of 10
- Junior KJV—11-8-132, pack of 10

Trail Guides: These fun, interactive booklets feature the daily memory verses, animal pals, stickers, and a place to stamp (11-8-093) for attendance. Check with your VBS director to find out when he or she would like to give these to the kids. They can receive them at any time during the first day. You can review them with the kids during the Apply It! section of the lesson, if you have time, or they can be stamped as the kids first arrive to VBS.

- Junior/Primary ESV—11-8-091, pack of 10
- Junior/Primary KJV—11-8-137, pack of 10

Bookmarks: These can be passed out at the end of class or at the end of the day.

- Gospel—11-8-076, pack of 10—Day 4
- Attributes of God—11-8-077, pack of 10—Any day

Exploring God’s Word: This little booklet encourages your students to continue discovering God’s Word for weeks after VBS has finished. It features a daily question and answer found in the Scripture verse. You or the group guides can pass out one of these to each student on the last day of class at dismissal. 11-8-075, pack of 10
A colorful and engaging environment helps children learn better, remember more, and leave with happy memories. So be creative and use the tools and ideas in this section to capture the imagination of the kids with your classroom decorations.

**Key Decorating Elements**

To serve as a backdrop for the teaching, the Mystery Island classroom set features a tropical island scene. Mounted on the walls adjacent to the backdrop are the teaching, memory verse, and animal pal posters.

**Lighthouse**

Use 2x2 boards and corrugated cardboard to create a simple three-sided lighthouse. Begin with the base, making a tapered frame where the top and bottom are square but the bottom is slightly larger than the top. Then cover three sides with corrugated cardboard painted white with horizontal black and red stripes.

Next, make the light section. Cut two corrugated cardboard squares with dimensions identical to the top of the base and four 2x2 pieces tall enough to accommodate the lantern. The 2x2s will serve as upright corner posts with the cardboard squares attached to them top and bottom. Paint the corner posts black and the underside of the top cardboard square yellow, red, or black. Wrap three sides of the light section with clear cellophane, then place it on top of the base. For a lantern, use a large oatmeal container painted yellow, or a real light.

Finally, construct a roof for the lighthouse. Cut four identical corrugated cardboard triangles with bases that match the length and width of the light section. Then paint them yellow, red, or black and attach their bases to each side of the light section with their points meeting at the top.

**Seascape**

A seascape panel can be made from corrugated cardboard or foam insulation board. The size of the panel is determined by the amount of classroom space that you have.

Take the panel and draw a straight pencil line across the middle. This will be your horizon line with the sky above and the ocean below. Paint the sky a solid “sky blue” color, but for the sea, use two shades (lighter and
darker) of greenish-blue ocean colors using a two-color painting method. For this technique, use a single standard size roller and pick up the lighter and darker shades at the same time (both colors on the roller, side-by-side). You'll get some minor mixing of colors in the two paint trays as a result, but it's not a problem. Then use a generally horizontal stroke to blend, but not totally mix, the colors. Two tones on the roller will result in lighter and darker areas of color. After the ocean colors, add a few reflective white patches on the sea using a light horizontal stroke with a brush. Paint the horizon line white to provide contrast between the sky and the sea, and then, create some clouds by sponging some white onto the sky.

You can display your panel in a variety of ways. It can be hung from a pipe and drape (or PVC pipe frame) system, hung from the ceiling, mounted directly to a wall with mounting putty, or simply propped against a wall.

**Treasure Chest**

Because a treasure chest is used daily in the teaching, you will need to have one on your set. Simply spray paint a large foam cooler brown. Then add strips of black duct tape for straps and gold thumb tacks for rivets. Have beaded necklaces hanging out of it.

**Other Props, Tips, and Misc. Ideas**

- Place a rug or raised platform in front of your backdrop to create a stage effect.
- Palm trees are a perfect accent piece. See How to Make a Pair of Palm Trees and clip art images on the Digital Resources.
- Painted cardboard rocks, wave swirls, sand dunes, and tufts of grass are also a good idea.
- Add two or three seagulls to your ocean scene. See the Digital Resources for clip art images. Use fishing line to hang them from the ceiling.
- Add a thin (¼-inch) black border to your painted props. This helps them stand out better and makes the colors appear more vibrant.

**HOW TO ENLARGE AND TRANSFER CLIP ART**

1. Photocopy the clip art onto transparencies.
2. Place roll paper or a rigid material against a wall.
3. Using an overhead projector to enlarge the clip art, shine the image onto the paper or rigid material, adjusting it as necessary for the size desired.
4. Trace the image outlines onto the paper or rigid material.
5. Paint the image and cut out.

- Because corrugated cardboard tends to curl when only one side is painted, first apply a quick single coat of paint to the back.
- Lay beach towels on the floor for the kids to sit on.

**Classroom Scene Setter**

As a quick and easy alternative to creating your own classroom set, a scene setter is available for purchase (11-8-126) from the Resource Catalog. Simply mount it to cardboard or foam insulation sheets using clear packing tape or staples, or attach it directly to the wall with sticky tack, mounting putty, or Mavalus® tape. Another alternative for easy cleanup and wall protection is to apply strips of painter’s tape to the wall, then put double-sided tape over the painter’s tape, and attach the scene setter to the double-sided tape.

**Resource Posters**

Contained in the Teacher Resource Kit are the teaching, memory verse, and animal pal posters. These are important visuals for the islanders and should be displayed in an organized fashion on a wall (or walls) adjacent to the backdrop.

**Puppet Stage**

Because puppets are used daily in the Primary classrooms, you will need a puppet stage. Use the front of the lighthouse for this purpose by cutting a small puppet door that opens. If you are using a scene setter, make one out of a large cardboard box or a tri-fold display board. Cut out a rectangular hole in the box or display board, cover the hole with fabric, and then paint or decorate the outside.

The fear of the Lord is the beginning of wisdom, and the knowledge of the Holy One is insight. Proverbs 9:10

At Mystery Island, we’re encouraging our kids to discover the one true God. But... how do we know the one true God even exists? It’s a question that has crossed the mind of every believer at some point—sure, I believe in God, but how do I know the God I love and serve is truly the one true God?

Before we answer that question, let’s go a bit further by asking another question: how can we know anything? How do we even know to question the surety of God’s existence? Here’s the answer: apart from the perfect, truthful, unchanging, eternal God of the Bible, “in whom are hidden all the treasures of wisdom and knowledge” (Colossians 2:3) and from whom come knowledge and understanding (Proverbs 9:10), we cannot know anything.

Think about it.

If, as some suggest, there is no god—no ultimate standard of truth and knowledge—and we are simply the product of random processes operating on chemicals over time, then the thoughts in our brains are nothing more than the product of random chemical interactions. How could we know anything?

If, as others suggest, our universe is ruled by a god who is not eternal (Mormonism, History of the Church, vol. 6, ch. 14, p. 305–6) or who is deceptive (Islam, Koran 3:54, 8:30), how could we be sure that what we know is true today will still be true tomorrow?

The one true God of the Bible has created each person in his image and given us the ability to think rationally, to question thoughtfully, to know truth fully. And he has revealed himself to everyone so that no one is without excuse (Romans 1:18–21). Those who deny his existence or seek to change him into a false version of himself are willfully ignorant, suppressing the truth in unrighteousness (Romans 1:18).

We can know the one true God exists because we have the ability to know in the first place. And we can praise him that he freely gives wisdom to those who ask for it (James 1:5). This week, let’s be quick to seek wisdom from the one true God as we teach our children to know the one true God and embrace him fully.

May we be thankful as the Puritans were, not only that we can know things, but also that the one true God has enabled us to know him.

Glorious God,
I bless thee that I know thee.
I once lived in the world, but was ignorant of its Creator,
was partaker of thy providences, but knew not the Provider,
was blind while enjoying the sunlight,
was deaf to all things spiritual, with voices all around me,
understood many things, but had no knowledge of thy ways,
saw the world, but did not see Jesus only.
O happy day, when in thy love’s sovereignty thou didst look on me, and call me by grace.
Grant that I may always weep to the praise of mercy found,
and tell to others as long as I live, that thou art a sin-pardoning God,
taking up the blasphemer and the ungodly, and washing them from their deepest stain.

—(Excerpt from “The Great Discovery” in The Valley of Vision)
Gospel Note: Although the gospel is presented in detail during Day 4, each lesson provides opportunities to share the gospel. Pray and ask the Holy Spirit to guide you as to which of these opportunities to use.

Introduce It!

Day 1 Mystery Clue (5–10 minutes)

Pre-prep: Gather your tropical island costumes, which you’ll wear all week. Either buy a fake treasure chest or make one out of a foam cooler as directed on page 10 and put the Bible in it, bookmarked at Acts 17. Cut out and laminate the DAY 1 LARGE MEDALLION and place it in the treasure chest. Laminate and hide the TREASURE MAP POSTER according to the directions for either Option 1 or Option 2 below.

Greet the islanders at the door as they come in. Once they are settled, begin with the following.

Teacher 1: Aloha, islanders, and welcome to Lighthouse Lessons. I’m ____, the lighthouse keeper, and this is my assistant, ____. Have you ever seen a lighthouse? Take answers. Lighthouses are important because they have a big light that shines so ships and sailors won’t lose their way or run into land while they’re out at sea. And keepers of the lighthouse have a huge job. They keep the light always going, and they sometimes rescue stranded people in the water.

Teacher 2 (or Teaching Assistant): Here at Mystery Island, we want to keep the light of God’s Word shining brightly so you can know the way through life. With that in mind, let’s dive right in with an activity called First Word. We’ll say a word, then you shout out what the first thing is that comes to mind. Ready? Here’s the first one: tropical island. Take answers, then continue with the following: lizard, sun, sand, pirate, ocean.

Teacher 1: Okay, here’s the last one. For this one, don’t shout out your answer, but just think of it inside your head. What’s the first thing that comes into your mind when you think of the word God? Give them a few seconds to think of it silently, then ask volunteers to share what they thought of.

Teacher 2: Some people think of God as the big guy upstairs who is like a casual friend, or as a cosmic cop who’s going to catch you breaking the law and hit you with a lightning bolt, or like a genie in a bottle who’s ready to serve you and grant your wishes. But we can’t make the one true God into who we want him to be. He is who he is. We’ll be tracking down the truth about him all week in our Bibles to find out what he’s really like. It matters more than anything, because what you believe about God is the most important thing about you. What you think about God matters more than how smart or good at sports you are, what you like to do, who you live with, what you look like, or anything else, because it determines how you live your life, and it determines your eternity!

Teacher 1: I’m so excited to talk about this, because God is more important to me than anyone or anything else in the whole wide world! He’s wonderful! And if you’re going to be right about anything in your life, it needs to be understanding who God is, so each day, we’ll start our Lighthouse Lessons by finding a clue about God.

Teacher 2: We’ll need a treasure map to do so, so let’s find one now!

Option 1—Map in the Room

Before class, hide the TREASURE MAP POSTER in the room, in sight but barely. Without moving, the kids search with their eyes to find the map. When they’ve spotted it, have someone retrieve it and the teacher can hang it up for all to see.

Option 2—Mystery Riddle to Find Map

Share a clue such as the following. Adjust to fit your situation.

Time to start. Time to think. Find the map where you get a drink.
The answer is the closest water fountain, where you have placed the **TREASURE MAP POSTER** ahead of time. The students go to the water fountain and carefully bring the map back. Choose a location near the classroom so this doesn’t take long. The teacher hangs the map so all can see it.

Continue after completing Option 1 or 2.

**Teacher 2:** Now that we have the map, let’s find the start of the trail on the map. Do so. Now, watching my finger, let’s follow it from the start to the first stop. Do so. Where did I stop? Take answers—Chameleon Cave. Hmm . . . I wonder what we might find out about God at Chameleon Cave? Let me pull something out of this treasure chest to give us another clue. Open the treasure chest, and pull out the **DAY 1 LARGE MEDALLION** that goes on the **TREASURE MAP POSTER**. Show them what it is and ask what they think the number one has to do with God. Place the medallion on the map in the Day 1 circle, using mounting putty (so it can be taken off for the next rotation). Then ask them to look carefully at Chameleon Cave and see if they can find a hidden clue there. They should see the number one hidden on the cave.

**Teacher 1:** Yes, the number 1 means there’s only one God—the God of the Bible. A lot of people have wrong views of God, but we can find out who he truly is by searching the Bible. **Show the DAY 1 ANIMAL PAL POSTER**. See if they can find the hidden number 1 on it. Camo the chameleon here is always changing, but the God of the Bible doesn’t change. He was and is and always will be the same.

**Teacher 2:** We know God is completely true and can’t lie (*Titus 1:2*), so since God is trustworthy and true, and the Bible is from him, then we know every word of the Bible is completely trustworthy and true, too. Let’s pray, and then we’ll open the treasure chest and get out our trustworthy Bible, which is the greatest treasure on earth. Pray, and then pull out the Bible with care. Open to Acts 17, and share either Option 1, 2, or 3 below.

### Teach It!

**Part 1: Acts 17** (5 minutes)

**Pre-prep:** Choose which option you will do for the telling of Acts 17, and prepare accordingly. All three of these options can use pictures of ancient Greece and ancient Greek gods to enhance the telling of the account. Search online for images, and make sure to use images of Greek gods that are modestly dressed. Someone (the second teacher perhaps) can hold the pictures up at the appropriate time as they are mentioned in the puppet show or live monologue, or as you are reading/paraphrasing from the Bible. Besides the pictures mentioned above, Option 1 needs a Paul puppet, the **PAUL IN ATHENS SCRIPT—AUDIO VERSION**, found on the Digital Resources, and a player for the audio script. Option 2 needs just a Bible. Option 3 needs a willing actor in a Bible-time costume and the **PAUL IN ATHENS SCRIPT** that follows.

**Option 1—Puppet Version of Passage**

Cue the **PAUL IN ATHENS SCRIPT—AUDIO VERSION** and play it for the islanders while working the Paul puppet.

**Option 2—Reading from the Bible**

Open your Bible to Acts 17, and read or paraphrase the Acts 17:16–34 account. Read or tell it with emotion and interest.

**Option 3—Live Monologue**

Find someone to play Paul. Have him expressively share the Acts account, using the **PAUL IN ATHENS SCRIPT** that follows, which is written as a first-person narrative.

Before he begins, show the islanders where this account is found in Scripture.
Grace and peace to you! I’m Paul, a servant of the Lord here in ancient times. I’ve been traveling around, starting churches and telling people about our amazing God and what Jesus, the Son of God, did for us on the cross.

In my travels, I arrived in a city called Athens, which is in Greece. I decided to walk around the city, and as I did, I started to feel very upset inside because everywhere I went, I saw idols. Do you know what an idol is? Take answers.

An idol is an image or statue of a false god—a pretend god. The Greeks have many false gods that are made by the people. Sadly, the people worship these idols instead of the one true God. Listen as I tell you about a few of them.

One is called Cronos. He is said to have hurt his father and swallowed his own children so they wouldn’t become too powerful and take his throne away from him.

Another is Zeus. He is said to be king of the Greek gods. His symbol is the lightning bolt, because he supposedly throws them down to earth in fits of anger. He’s supposed to be the most powerful of the Greek gods.

Next is Nike. She is said to be the goddess of victory. She wants to win so much she’s willing to be unfair and cheat.

And let’s not forget Poseidon. He is said to be the god of the sea. He sinks ships or drowns people on a whim if he wants to. He’s moody and unpredictable. You never know when he’s going to whip up a storm because he’s upset.

These are just a few of the many Greek gods I hear about here.

Seeing all these idols upset me, because there’s only one true God, and I want everyone to know him! So I decided to go to the synagogue, which is like the church Jewish people go to, and talk to them about the one true God.

One day, some of the scholars of Athens asked me to come to this rocky spot high up in the city where they have their court. It’s called the Areopagus (air-ee-OP-a-gus). They wanted to know what I’d been telling everybody.

So I said to them: Men of Athens, I see that you’re very religious. For as I passed along, I saw your idols, and even found an altar that said: To the unknown god. Well, what you’re worshipping as unknown, I want to tell you about, because God can be known! He doesn’t live in temples, and he isn’t a statue of gold or silver or stone, but he is God, the Maker of the world! He made it, and he owns it.

And the awesome thing is that if we seek the one true God, we’ll find he’s not far from us, but wants to have a relationship with us. God sent his Son, Jesus, who lived and died and was raised from the dead, so we can have that relationship if we turn from our sins and seek him.

When I finished telling the men this, how do you think they responded? Take answers.

Some made fun of me, some said they’d like to hear more, and some came with me right then and there because they realized I was right—there really is only one true God!

You know, many people consider God a mystery, but he can be known, and he wants to be known. Of course, we’ll never know everything about God—he’s too big and great—but we can know him enough to understand who he is and to have a personal relationship with him. This week, I hope you will not only get to know about God, but also get to know God.

Well, thanks for having me in. Shalom!

Teacher: Wow, that was cool hearing from Paul! Let’s take a minute and see what we can remember about what he said. Show the Paul in Athens poster again. Why was Paul feeling upset? What did the people there believe? How many true gods are there? Take answers and review. Remind them there’s only one true God and he is great.
Part 2: Puppet Pal—One and Only One God (5 minutes)

Pre-prep: Check Decorating Decisions for details about how to make the puppet stage. Tape one PUPPET SCRIPT inside the puppet stage, and place the other on the clipboard. Dress the puppet in a mini VBS T-shirt, a tropical shirt, or a lei. You may want to add a visor or sunglasses.

Each day, the puppet pal will be used to teach or reinforce the lesson. It's always a favorite, so include it even if you have to cut something else.

If you don’t have a teaching assistant or co-teacher, enlist someone (a group guide or other volunteer) ahead of time to work the puppet each day. If you’re alone, have the puppet come up from behind a suitcase with the lid flipped up, or just stand and work the puppet.

You can use either a boy or a girl puppet. Use a consistent voice for the puppet all week. Speak clearly and exaggerate words and expressions. For instance, draw out certain words for emphasis, or make an exaggerated action for things like groaning, turning its head, or sneezing. Use your free hand to do things with the puppet’s hands or arms. For example, if the puppet is “thinking,” put the puppet’s hand on its chin. When the puppet is talking, make sure the mouth is open. (This is the opposite of what people often do!) In other words, the mouth should be open on most syllables. You don’t have to open very wide, which will help you move the mouth faster and more naturally.

One teacher should be in front of the puppet stage, and one behind it, working the puppet. When the puppet comes up, hold your arm back and down and have the puppet take three steps up, getting higher each time, until the puppet is out and visible. When exiting, turn the puppet toward you and take three steps down until out of sight.

Teacher: Now let’s see if we can meet our puppet pal, Sunny. On the count of three, let’s all call to him (her). Ready? 1, 2, 3—Sunny!

Puppet: Come up. Aloha! Welcome to Mystery Island!

Teacher: Thanks! This is an awesome place. What do you like to do here?

Puppet: Well, one of my favorite things to do is to hang ten.

Teacher: Hang ten? What’s that mean?

Puppet: Ever surfed before?

Teacher: Nope.

Puppet: Well, surfers like to have their 10 toes hang over the front of their surfboard while they’re riding the waves. It’s cool.

Teacher: Pretend to surf. That would be amazing! But there’s a different number I’m thinking about besides 10.

Puppet: Oh yeah? What is it?

Teacher: One.

Puppet: Say dramatically. The number 1. Numero uno. One and only. The big O-un. O-n-e.

Teacher: I think we get the idea. Number 1.

Puppet: It sure wouldn’t work to hang one. Can you imagine having just my big toe hanging over a surfboard? Flip over backwards and laugh uproariously. Or maybe my pinkie toe. Now that would be a trick.

Teacher: Sunny, I wasn’t talking about toes.

Puppet: Well, then, what are you talking about?

Teacher: God.

Puppet: God? What does God have to do with the number 1?
**Teacher:** Maybe the boys and girls out here can help us with that. Boys and girls, do you remember what the number 1 has to do with God? Take answers—there’s only one God.

**Puppet:** But wait a minute. I have a friend who believes in lots of gods.

**Teacher:** There’s only one true God, but people throughout time have often believed in lots of false gods.

**Puppet:** What do you mean?

**Teacher:** Well, sometimes people make up gods in their minds, like the people during the Apostle Paul’s time. They made up all kinds of gods, like Zeus, Cronos, and Nike.

**Puppet:** Were they real gods?

**Teacher:** No. Remember we said there’s only one true God. You can’t just make up a god of your own choosing. Nowadays, people may not make a statue of gold and call it a god, but they get ideas in their minds about God that are wrong. Wrong ideas about God are kind of like making up your own god. Maybe someone says his god wants everybody to be rich. Or his god is up in heaven and doesn’t care about us down here on earth. Or people may think they have to be “good” so God will allow them into heaven.

**Puppet:** Well, I don’t want to have wrong thoughts about God, so where do I go to get the truth about who he is and what he’s like?

**Teacher:** You go to the Bible. It’s the only perfect book in the world, written by God himself. So if the Bible says it, that settles it. It shows us who God is and what he’s really like.

**Puppet:** What is God really like? Can he curl his tongue into a tube shape? My friend Herbert can do that. Start to talk with your tongue curled, saying you have tried, but it’s hard to do.

**Teacher:** Well, it’s fun to try that, but there’s a big difference between God and us. There are qualities of God that people don’t have.

**Puppet:** Like what?

**Teacher:** First of all, he can never make a mistake. Ever. We sure make mistakes, but God never does.

**Puppet:** You mean he’s perfect?

**Teacher:** Forever perfect!

**Puppet:** Wow, that would come in handy when I’m doing my math homework. It’s so hard to remember the addition facts.

**Teacher:** God invented math, so he knows everything about math and everything else! Another thing about God is he can never lie.

**Puppet:** You mean he always tells the truth?

**Teacher:** Always.

**Puppet:** When my friend Johnny came over, he told me he was going to give me his surfboard to keep, but he didn’t. Man, I really liked his surfboard.

**Teacher:** People sometimes let you down, Sunny, but you can count on God to always tell the truth and keep his word. And God never changes. Camo the chameleon changes colors a lot, doesn’t he? Point to the DAY 1 ANIMAL PAL POSTER.

**Puppet:** Yeah, I like to watch the chameleons that live on the island. They’re green one minute, then change to blue or orange or a mixture.
**Teacher:** Well, God is invisible, so when I say he doesn't change, I'm not talking about his looks changing. But I do mean what he's like always stays the same. He is forever kind, good, loving, truthful, and perfect. That will never change. And he made everything and everyone. He's the Creator, and he cares about you!

**Puppet:** He sounds great!

**Teacher:** God is great! He's amazing! He's wonderful! He's better than you can even imagine. He's more important than anybody else you'll ever know—by far—and I can't wait to share more about him with you this week!

**Puppet:** Thanks for sharing about the great One. Now I'm going to go and hang ten!

**Teacher:** You do that, Sunny, and we'll see you tomorrow! Boys and girls, as Sunny goes, let's see if you can remember what Sunny had to say. Review for a minute as Sunny leaves.

If you don't plan to do small group time, share your personal testimony and excitement about God as outlined in small group time question 4 now.

**Part 3: Small Group Time** (5–10 minutes)

If small groups aren't feasible, lead a discussion on these questions as a large group, or print off the DISCUSSION SHEETS and give them to the group guides who can lead a discussion during snack time each day. These are good to fit in at some point in the VBS day.

Divide into small groups of 4–6 islanders with a group guide in each group. Adjust depending on how many guides and kids you have. Discuss some or all of the following questions from the DISCUSSION SHEET. Any day a Bible passage is mentioned, help them look it up and read it together, or have it bookmarked and read it to them.

1. When we asked a little while ago what comes into your mind when you think of God, what did you think of? Take responses.

2. How do you think you got that idea about God? Take responses. Where should we go to learn about who God really is? Take responses, and remind them we can’t make God into who we want him to be, but we learn of who he truly is in the Bible.

3. What is something you’ve learned so far today about God? Take responses.

4. Does God seem exciting to you? Worth knowing? Take responses, and tell them how excited you are to share more this week about your awesome God. You may want to share your testimony here. Your enthusiasm about God will be inspiring.

**Part 4: Review Game** (5–10 minutes)

**Pre-prep:** Choose an option below. Option 1 needs 2x3 boards that are 8 feet long. Cut the boards into three pieces of 32 inches each. These will act as each team’s “surfboard.” One 8-ft. long board will be enough for three teams. If you have more teams than that, cut more boards. Option 2 needs just a timer.

**Option 1—Hang Ten**

**To play:** First, explain that surfers use the phrase “hang ten” to describe how their 10 toes hang over the front of the surfboard when they’re riding a wave. We’re going to play “Hang Ten” by trying to get all 10 questions right while balancing on our “surfboards” for 10 seconds.

Divide into teams of 3–5 players per team. Each team answers every question. Ask the question, have teams quietly confer (so the other teams don’t hear), and say the answer on the count of three. If they get it right, give them a point and let someone from the team try to “hang ten.” In our version, they have to balance on their surfboard (the wooden board) for 10 seconds without falling off. If they do so successfully, their team gets another point. To add fun, have them stand in different ways on their boards after each question—crouching.
standing on one foot, standing on the other foot, feet crossed on the board, etc. The team with the most points at the end of the time wins.

**Option 2—Lightning Round**

This version is quick and requires only a timer. It works any day you need an easy, speedy choice.

**To play:** Put 2 minutes (120 seconds) on the timer. Quickly read a question and have everyone shout out their answer as soon as you finish reading the question. As soon as you hear someone say the right answer, affirm that answer, share the comments, and move to the next question. The group as a whole wins if they get through all the questions in the time allotted. Today, they will receive 2 minutes. Days 2–4 will be progressively more challenging, with less time than the day before. Day 5 has a slightly different timing format.

**Questions**

1. **Who is today’s animal pal and how does he remind us of God?**
   
   Answer: Camo the chameleon. Camo changes, but God doesn’t change. He is the same forever.

2. **Who went to visit Athens and found himself getting upset?**
   
   Answer: Paul.

3. **Why was Paul upset?**
   
   Answer: He was upset because the people there had false gods called idols.

4. **Name one of the false Greek gods.**
   
   Answer: Cronos, Zeus, Nike, or Poseidon.

5. **What is an idol?**
   
   Answer: An idol is a statue or image that represents a false god. We can also worship an idol if we have a false view of the one true God. An idol can even be anything that is more important to us or that we care more about than God, such as sports or hobbies.

6. **Paul tells the people of Athens that God is the Creator. Name three things God has created.**

7. **Yes or no: Do you think this view of God is correct? God is mean.**
   
   Answer: No. God is perfect, so he can only be always good and right.

8. **Where do we go to find out who God truly is and what he’s like?**
   
   Answer: The Bible. That’s where we find out about the one true God.

9. **What is one true character quality you know about God? Here’s one to help you get started: God is love.**

10. **Our theme verse from Psalm 145 is: “I will extol you, my God and King, and bless your name forever and ever.” Extol means “enthusiastically praise.” What is one thing you can think of to enthusiastically praise God for? Here’s one to help you get started: I praise you, God, because you made our brains way more amazing than the greatest computer.**

**Apply It!**

In the remaining time, complete one or more of the following ideas in class. You won’t have time to do all of them, but these ideas are also on the back of the Student Guides. Send the guides home each day as a fun review and also encourage the islanders to do the practical ideas (the Go and Do sections) that apply the lesson to real life. They’re important!
Put a stamp in the Trail Guides, or have the group guides do so as the kids first arrive at VBS.

Part 1: Treasured Verses

**Pre-prep:** For *Footprints in the Sand*, prepare the materials as described below in the Challenge section. Do the same for tomorrow’s verse and the theme verse if you think you’ll have time. Cue the memory verse song. Hang up the **DAY 1 MEMORY VERSE POSTER** and the **THEME VERSE POSTER**.

**Today’s Verse:** Great is the LORD, and greatly to be praised, and his greatness is unsearchable. Psalm 145:3

Practice the verse several times by playing the appropriate song from the Memory Verse CD and using the **DAY 1 MEMORY VERSE POSTER** as a reference. Then try the Challenge.

**Challenge:** *Footprints in the Sand*—Make 15 footprint cutouts from paper with a word from the verse on each. Put them down in a path in order. (You may want to tape them down.) Move from one footprint to the next, saying a word as you step on each new footprint. Keep trying until you can go from the first to the last without a mistake. Provide one set per group of 3–5 kids, with kids lined up and taking turns.

**Tomorrow’s Verse:** Behold, I am the LORD, the God of all flesh. Is anything too hard for me? Jeremiah 32:27

Try the Challenge again, this time saying tomorrow’s verse. You may also want to practice the week’s theme verse, using the **THEME VERSE POSTER** as a reference.

Part 2: Go and Do

- Look up Psalm 145:8–9, 17–18 and read it out loud. Find at least five great things this says about God. Then read Psalm 115:3–9. Find at least five things about idols that show idols aren’t God.
- Pray and tell God how great he is and why you think so! Use Psalm 145 to guide you as you pray.
- Psalm 145 ends by saying that your mouth will speak the praise of the Lord. Find someone and tell them something about God’s greatness that you learned today at VBS.
- Ask your parent or guardian to tell you the first thing that comes to mind when they think of God.
- Check AnswersVBS.com/mikids for more fun information!

Ask yourself this question: Why is my view of God important?

**Just For Fun Song: “Hallelu, Hallelu, Hallelu, Hallelujah”**

Before singing, explain that “hallelujah” means (basically) “Praise the Lord.” In this song, one group stands and sings “Hallelujah” while the other sits. Then the other group stands and answers back “Praise ye the Lord.” Traditionally, kids like singing as loud as they can.

**VERSE**

- Hallelu, hallelu, hallelu, hallelujah  
  (Half the kids stand up and sing.)
- Praise ye the Lord  
  (Other half stand up and sing.)
- Hallelu, hallelu, hallelu, hallelujah  
  (Half the kids stand up and sing.)
- Praise ye the Lord  
  (Other half stand up and sing.)

**CHORUS**

- Praise ye the Lord  
  (“Praise ye” group stay standing and sing.)
- Hallelujah  
  (“Hallelujah” group stand up and sing.)
  Repeat those two lines two more times.
- Praise ye the Lord  
  (Everyone stand and sing together.)
