How to Use

Alphabet Apologetics Word Wall Cards help teach students the alphabet while introducing them to biblical vocabulary and apologetics. As you introduce each of the letters and its corresponding word, read the scriptural passage and accompanying teaching. Then hang the cards in your instructional area for student reference. When students learn an important vocabulary word, sight word, etc., position a card with the word on it underneath the Word Wall Card with the same letter as the first letter of the vocabulary or sight word. This will create a visual reminder of all the important words students have learned.

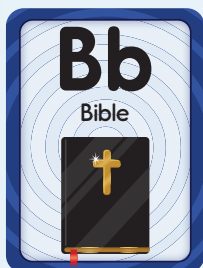

A is for Adam

God created Adam (the first man) and Eve (the first woman) on day 6 of creation. He made man in his image, different from animals.

*"So God created man in his own image, in the image of God he created him; male and female he created them."
Genesis 1:27*

B is for Bible

The Bible is God's Word. It was recorded by writers who were guided by the Holy Spirit. The Bible is perfect, and it guides us.

"All Scripture is breathed out by God and profitable for teaching, for reproof, for correction, and for training in righteousness." 2 Timothy 3:16

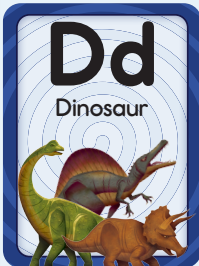

C is for Cross

God sent his Son, Jesus, to die on the cross for sinners. All who repent and trust in Jesus will be saved.

"He himself bore our sins in his body on the tree, that we might die to sin and live to righteousness. By his wounds you have been healed." 1 Peter 2:24

D is for Dinosaur

God created dinosaurs on day 6 alongside other land animals. This was about 6,000 years ago—not millions of years! In the Bible, Behemoth is most likely a dinosaur.

"Behold, Behemoth, which I made as I made you; he eats grass like an ox." Job 40:15
