Whenever you are called upon to defend your faith, a few simple truths will go a long, long way to help.
- 70 **Problematic Apologetics**
From the Shroud of Turin to Noah's Ark, many Christians seem eager to accept any new finding that appears to bolster God's Word. Is anything wrong with that?
- 74 **Our Suffering Savior**
Read a doctor's insight into the physical suffering of our Lord on the cross.
- 78 **Beneath the Cross**
As Christ died on the cross, the rocks beneath His feet gave testimony to the curse that had fallen upon all creation.
- 80 **Rock Layers Folded, Not Fractured**
How can slabs of rock fold at right angles without cracking? A global flood could produce the necessary conditions.
