

# TABLE OF CONTENTS

## CHAPTER 1

<b><i>The Origin of Life: Two Opposing Views</i></b> .....	1
The Origin of Life .....	3
Americans Are Split on Their Beliefs .....	4
Do You Believe In Evolution? .....	6
Evolution: Scientists Can't Agree .....	8
Evolution and Education .....	9
What Should Be Taught? .....	10

## CHAPTER 2

<b><i>Evolution's False Start: Spontaneous Generation (322 B.C.–1859 A.D.)</i></b> .....	11
First “Proof” of Spontaneous Generation: Mice from Underwear .....	12
Second “Proof” of Spontaneous Generation: Maggots from Rotting Meat .....	15
Third “Proof” of Spontaneous Generation: Scum from Clear Pond Water .....	17
Spontaneous Generation Finally Disproved .....	22

## CHAPTER 3

<b><i>Darwin's False Mechanism for Evolution:</i></b>	
<b><i>Acquired Characteristics (Antiquity–1889 A.D.+)</i></b> .....	23
Darwin Never Succeeded in Understanding Inheritance of Traits During His Lifetime .....	24
Acquired Characteristics Example #1: Muscle Building .....	25
Acquired Characteristics Example #2: Neck Stretching .....	26
Acquired Characteristics Example #3: Sun Tanning .....	27
Acquired Characteristics Example #4: Disuse and Shedding Body Parts .....	28
Darwin's Belief That Acquired Characteristics Were (Partly) Responsible for Evolution Continued Throughout His Lifetime ..	29
The Experiment That Ended Acquired Characteristics.....	30

## CHAPTER 4

<b><i>Natural Selection and Chance Mutations</i></b> .....	31
Natural Selection: Darwin's Major Mechanism for Evolution .....	32
Natural Selection and the Limits of Variability .....	34
If Natural Selection Does Not Produce New Traits, How Do They Come About? .....	35
The Modern Theory of Evolution: New Traits Come from Accidental Mutations .....	36
Could Accidental Mutations Eventually Result in New Body Systems? .....	37
Adaptation.....	38

Should the Word “Adaptation” Be Removed from Our Vocabulary? .....	39
Could a Whale Evolve by Chance? .....	40
Chances or Odds Can Be Calculated by the Number of Possibilities.....	51
Calculating the Odds of a Hyena Mutating Into a Whale .....	52

## CHAPTER 5

<b><i>Similarities: A Basic Proof of Evolution?</i></b> .....	55
Many Scientists Believe That Similarities in Animals Are Evidence for the Theory of Evolution.....	56
Many Times, Scientists Have Been Proven Wrong Using “Similarities” As Evidence for Evolution. ....	58
Similarities Are Subject to Observer Bias .....	60
Why Do Unrelated Animals Also Have Similarities?.....	62
Unrelated Animals with Dorsal Fins.....	63
Unrelated Animals with Wings.....	64
Unrelated Animals with Eyes .....	66
Unrelated Animals with Duckbills .....	67
Unrelated Animals with Eye Rings .....	68
Unrelated Animals with Head Crests .....	69
Which of These Three Animals Do Evolution Scientists Believe Are Most Closely Related?.....	70
Since Darwin’s Time Until Now, Scientists Have Debated the Meaning of Similarities in Animals .....	72

## CHAPTER 6

<b><i>The Fossil Record and Darwin’s Prediction</i></b> .....	73
Darwin Recognized That the Fossil Record in His Day Did Not Match What His Theory Predicted .....	74
What Should the Fossil Record Show if Evolution Is True? .....	75
What Should the Fossil Record Show if Evolution Is False? .....	76
Since Darwin’s Time, Hundreds of Millions of Fossils Have Been Collected .....	77
The Fossil Record: Soft-bodied Organisms.....	78
The Fossil Record: Invertebrates .....	80
The Fossil Record: Vertebrates .....	82
What Are Scientists Today Saying about the Fossil Record? .....	84
How Good Is the Fossil Record? .....	86

## CHAPTER 7

<b><i>The Fossil Record of Invertebrates</i></b> .....	87
What's the Problem with Trilobites? .....	88
Darwin's Enigma: No Ancestors .....	93
Did Invertebrates Evolve?.....	94

## CHAPTER 8

<b><i>The Fossil Record of Fish</i></b> .....	95
Proposed Fish Evolution .....	96
500,000 Fish in Museums .....	97
Dr. Long's Comments on the Evidence for Fish Evolution .....	98

## CHAPTER 9

<b><i>The Fossil Record of Bats</i></b> .....	99
No Evolutionary Ancestors of Bats Have Been Discovered! .....	100
An Amazing 1,000 Fossil Bats Have Been Discovered! .....	103
Is There Evidence That Bats Evolved? .....	104

## CHAPTER 10

<b><i>The Fossil Record of Pinnipeds: Seals and Sea Lions</i></b> .....	105
Sea Lions .....	106
What Animal Evolved into a Sea Lion?.....	108
Scientists Have Not Found the Proposed Evolutionary Ancestors for Sea Lions .....	109
Seals .....	111
What Animal Evolved into a Seal? .....	112
The Proposed Evolutionary Ancestors of Seals Have Not Been Found .....	112

## CHAPTER 11

<b><i>The Fossil Record of Flying Reptiles</i></b> .....	113
Nearly 1,000 Pterosaurs Have Been Collected .....	114
Despite a Rich Fossil Record, Not a Single Ancestor of Pterosaurs Has Been Found! .....	116

## CHAPTER 12

<b><i>The Fossil Record of Dinosaurs</i></b> .....	117
<i>Tyrannosaurus rex</i> .....	118
<i>Triceratops</i> .....	121
<i>Apatosaurus</i> .....	124
How Many Direct Ancestors of Dinosaurs Have Been Found? .....	126
Museum Diagrams Demonstrating Dinosaur Evolution .....	127

## CHAPTER 13

<b><i>The Fossil Record of Whales</i></b> .....	129
How Did Whales Get Here? How Good Is the Evidence? .....	130
Not All Scientists Agree .....	132
The First Step: The Land Mammal .....	133
Meat-Eating Teeth or Plant-Eating Teeth? .....	134
The Missing Hippo Fossil Problem .....	136
The Second Step of Whale Evolution: <i>Ambulocetus</i> , a Walking Whale? .....	137
The Eye Problem of <i>Ambulocetus</i> .....	138
The Third Step: <i>Rodhocetus</i> — Legs, Flippers and a Whale’s Tail .....	139
New Details Are Beginning to Emerge about the <i>Tail</i> of <i>Rodhocetus</i> .....	140
New Details Are Beginning to Emerge about the <i>Flippers</i> of <i>Rodhocetus</i> .....	142
The Last Step: <i>Basilosaurus</i> .....	144
Summary: The Fossil Evidence for Whale Evolution .....	145

## CHAPTER 14

<b><i>The Fossil Record of Birds — Part I: Archaeopteryx</i></b> .....	147
Bird Evolution and <i>Archaeopteryx</i> .....	148
<i>Archaeopteryx</i> Fossils .....	150
<i>Archaeopteryx</i> : A Scaly Head? .....	152
The Significance of the Wing Claws of <i>Archaeopteryx</i> .....	154
The Significance of the Tail of <i>Archaeopteryx</i> .....	155
The Significance of the Teeth of <i>Archaeopteryx</i> .....	156
Newer <i>Archaeopteryx</i> Models Look Similar to Modern Birds .....	157
Does the Skeleton of <i>Archaeopteryx</i> Appear More Dinosaur-like Than These Other Bird Skeletons? .....	158
The Dinosaur Ancestor for Birds Is Unknown! .....	160
Did <i>Archaeopteryx</i> Even Evolve from a Dinosaur? .....	161

Conclusions .....	162
Postscript: <i>Archaeopteryx</i> Found with Fossils of Modern Animals .....	164

## CHAPTER 15

<b><i>The Fossil Record of Birds — Part 2: Feathered Dinosaurs</i></b> .....	165
Bird Evolution and “Feathered Dinosaurs” .....	166
Feathered Dinosaurs from China .....	167
Chinese “Feathered Dinosaurs” Are the Wrong Age To Be the Ancestors of Flying Birds .....	169
Are the Chinese Fossils Even Real? .....	170
Dr. Rowe Scans First Chinese “Feathered Dinosaur” Specimen .....	171
Dr. Rowe Scans Second Chinese “Feathered Dinosaur” Specimen and Finds Fraud .....	174
Postscript: Who Carried Out the Hoax? .....	178
Is It Scientific to Add Feathers to Dinosaurs If None Have Been Found? .....	179
Problems with Museum Interpretations of the Fossils .....	180
Evolution’s “Best Proof” is Under Attack from Top Scientists! .....	182
Does the Promotion of “Feathered Dinosaurs” Involve Financial Gain? .....	184

## CHAPTER 16

<b><i>The Fossil Record of Flowering Plants</i></b> .....	185
Darwin’s “Abominable Mystery” .....	186
The Origin of Flowering Plants Remains a Mystery Today .....	187
A Plethora of Fossil Flowering Plants Has Been Found .....	188
Despite a Seemingly Abundant Fossil Record, the Evolution of Flowering Plants Is Still Not Well Understood by Scientists! ...	190

## CHAPTER 17

<b><i>The Origin of Life — Part 1: The Formation of DNA</i></b> .....	191
DNA: A Necessary Component for Life to Begin .....	193
The Structure of DNA .....	194
Calculating the Length of DNA for a Single Protein .....	195
The Minimal Length of DNA for Life to Begin .....	195
The DNA Length Problem .....	195
The DNA Order Problem .....	196
The DNA Shape Problem .....	198
Could DNA Form Naturally to Start Life in the First Single-cell Organism? .....	198

## CHAPTER 18

<b><i>The Origin of Life — Part 2: The Formation of Proteins</i></b> .....	199
Proteins: A Second Necessary Component for Life to Begin .....	200
Proteinoids: A Proposed Bridge to Proteins .....	201
The Sequence Problem .....	203
Criticisms of Proteinoids .....	204

## CHAPTER 19

<b><i>The Origin of Life — Part 3: The Formation of Amino Acids</i></b> .....	205
Amino Acids: A Third Necessary Component for Life to Begin.....	206
Criticisms of the Stanley Miller Experiment .....	207
Summary of Origin of Life Problems .....	208
The Proposed First Form of Life .....	209
Could Life Begin Spontaneously? .....	210

## CHAPTER 20

<b><i>Conclusions — Evolution: Points of Controversy</i></b> .....	211
Evolution: More Questions Than Answers? .....	222

## APPENDIX

<b><i>Appendix A: The Number of Fossils</i></b> .....	223
<b><i>Appendix B: Dinosaur Evolution Chart</i></b> .....	229
<b><i>Appendix C: Fish Evolution Chart</i></b> .....	234

## GLOSSARY

<b><i>Glossary</i></b> .....	235
------------------------------	-----

## BIBLIOGRAPHY

<b><i>Bibliography</i></b> .....	238
----------------------------------	-----

## PHOTO CREDITS

<b><i>Photo Credits</i></b> .....	256
