

What do you think Jesus would tell us about helping refugees (people who had to leave their homes because of war and violence)?

What would you say to Elias to encourage him when he misses his home?

EXPLORATION JOURNAL

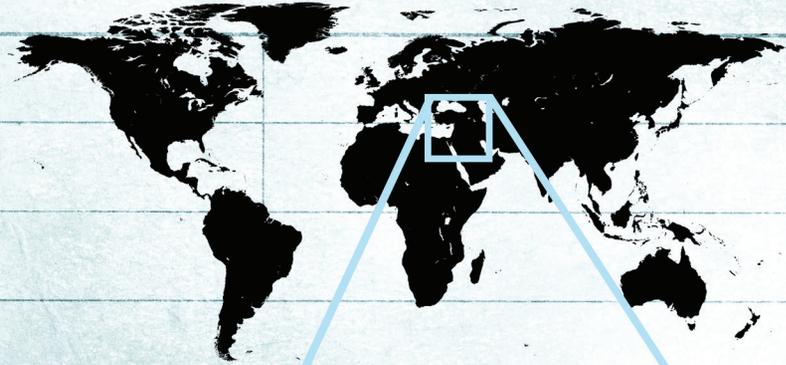

Syria

Name: **Elias**

Country: Syria

Problems: War
Refugee

About: Because of a terrible civil war that is still going on, Elias and his family had to leave their home and country. They, and millions of others, have left everything in order to find safety. Unfortunately, they were not able to bring any of their belongings and they now need basic things for living like food and shelter.

Prayer Requests: Pray that the violence in Syria would stop. Pray that the people in the local church would be brave and love the refugees who have lost everything.
