Name: Inez

Country: Zambia

Problems: Disease
Hunger

About: Inez and her family are very poor. Her father recently died of a disease called AIDS. Inez's mother is also sick with the disease and needs a special medicine that costs a lot of money. This leaves little for the family to buy food and other things they need.

Prayer Requests: Pray for kids like Inez who have lost their friends and family to serious disease. Pray for those suffering from the horrible disease called AIDS. Pray that the people in the local church would be strengthened to share the hope of Jesus Christ with the Zambian people.
