**Name:** Misha

**Country:**  Belarus

**Challenge:**  Loss

**About:** Misha's mother is not afraid to work hard to provide for her children, but finding work is hard due to her lack of training and childcare. Misha and her sisters really miss their dad. Things have been a lot harder for them since his death. When the local church began visiting them, they did more than deliver food to meet the family's physical needs; they also shared with them about Jesus and gave them hope.

**Prayer Requests:** Pray for children like Misha who are facing the loss of a loved one.

Pray for the pastors and church volunteers who are visiting families in need and sharing the hope of the gospel.
