Challenge: Invisible Poverty

About: Sebastian likes going to school where he has to wear a uniform. It means that he looks like everyone else. He doesn't want the kids at school to know that he sometimes doesn't have food to eat at night. He doesn't know of any other kids at his school who had to live in their cars or whose family can't afford food to eat.

Prayer Requests:

Pray for children like Sebastian who could be facing hunger on a regular basis.

Pray that pastors and volunteers from local churches would be able to get to know families in need in their communities and share the hope of the gospel with them.
