Greeting, Agents!

Your mission, should you choose to accept it, is to train special agents all over the world to detect counterfeit religions and to know, love, and live for the one and only God.

At *Spy University*, cadets will be in training to become agents for the one true God. In this jam-packed week, the kids will be trained in the following areas:

- Uncovering counterfeit gods and recognizing the only true God—the God of the Bible
- Finding that God is unique—one God in three persons
- Collecting clues to reveal how to become a child of God
- Cracking codes to discover attributes of God
- Discovering that God is not distant but personal, wanting to be their first love

Excitement and adventure await from the first minute of the day, when everyone gathers for the All Agents Assembly, which includes entertaining intros, catchy songs, a Mission Moment, and prayer.

Then the cadets rotate through five fun sites (see graphic).

After training and mission assignments are completed, cadets regroup for the closing assembly, which includes more singing, contest results, and the highly anticipated daily drama. The drama is set in International City, a place that has drifted away from following the one true God. The Truth Mission Force is sent in to expose the truth about God. Agents Jordan Trace, Alex Cipher, and Riley Gizmo find foes in unlikely places as their assignment takes them through unexpected twists and turns.

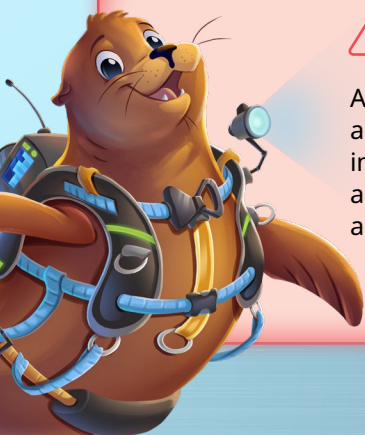

All this adds up to one great, high-impact week! See you at *Spy University*!

Important Notice: Beware of Imposters!

Attention, agents! Our intel shows unauthorized AI-generated knockoffs of our trademarked artwork circulating on sites such as Amazon—often at suspiciously low prices. These imposters may look the part, but they infringe on our original designs and undermine the artists behind every piece. Your mission: purchase only from Answers in Genesis or other authorized resellers, and if you spot an imposter in the wild, report it to headquarters.

Thanks for keeping the mission authentic—we couldn't do it without agents like you!

A Word from Ken

We live in a pluralistic society—one where kids hear that all roads lead to heaven and all religions are equally valid. Yet the Bible claims there is one God, Creator of heaven and earth, Savior of all mankind. I am thankful that this year's VBS program teaches kids to know the truth and reject counterfeit ideas so they can embrace the salvation that only comes through repentance and faith in Jesus Christ. I know you'll enjoy providing answers to your kids through our exciting *Spy University* program!

A WEEK AT *SPY UNIVERSITY*

DAY 001 / Uncovering Counterfeits

God is unique because he is the only true God. Today, we'll uncover counterfeit gods and discover the God of the Bible through the account of Elijah and the prophets of Baal (1 Kings 18). We'll examine the five main views of God—one true God, no god, one false god, many gods, and all is part of god—with examples from each to teach kids to discern truth from error.

DAY 002 / Finding Fingerprints

God is unique because he is one God in three persons. Today, we'll be on the lookout for those persons—Father, Son, and Holy Spirit—by examining the account of Jesus' baptism (Matthew 3) and other passages that show the triune nature of our God.

DAY 003 / Collecting Clues

God is unique because he himself came to earth to rescue us. Today, we'll be challenged to admit, believe, and forever receive him. Beginning with Adam and Eve, we will walk kids through an understanding of sin and show them their need for a Savior. Opportunities to share the gospel are provided each day, but this is the day we will focus on presenting the good news.

DAY 004 / Cracking Codes

God is unique; he is beyond description! Today, we'll crack codes to track down some of his attributes. We'll take a look at the father in the parable of the prodigal son (Luke 15) and reveal that his attributes mirror those of God, who is gracious, merciful, slow to anger, full of steadfast love, and good.

DAY 005 / Hot on the Trail

God is unique because he wants to have a personal relationship with us. Today, we'll learn our mission is to keep God as our first love. When asked about the commandments, Jesus said the greatest is to love God with everything we've got (Mark 12). Kids will be challenged to think about their love for God—are they hot on his trail?

“

Wow! I've got to say I'm incredibly impressed with the kit we just received! It was clearly packed with care and has EVERYTHING we could ever need to get started! Samples, samples, and then more samples!!! We've used another big name VBS vendor for years and while they were good, I can't believe this is what we've been missing out on! Answers' material is solid. Everything is beautiful. It's organized. I'm so excited and feel this is going to bless many kids (and their parents) in our community. Thank you Answers in Genesis for providing this amazing VBS product!

— Rachael R.

”

“

AiG is the best! I have used a lot of different curriculums at different churches, and I fell in love with AiG! It's solid, my teachers love it, and bang for your buck is the best in my opinion. Get the digital package as well, and you will have access to EVERYTHING!

— Kara T. M.

”

“

We switched to AiG this year after using a different company for many years. We are extremely satisfied with AiG. There is a lot of information to pull from, the kids enjoyed it, and most importantly, they heard the gospel multiple times during the week. We had multiple children and one caregiver approach our pastor to talk about salvation. That has never happened during our VBS before.

— Erin N.

MISSION MOMENT

AnswersVBS +  CHILDREN'S HUNGER FUND

Help your VBS kids become Agents of Hope

Together, Answers VBS kids have already helped provide more than 21 million meals!

This summer, your students can grow in compassion as they help deliver nutritious food and the hope of the gospel to children and families facing hunger.

Through the Agents of Hope Mission Moment, children will hear real stories from around the world, learn about the challenges other children face, and see how the gospel brings lasting hope.

Here's how your VBS can make an impact:

Just one quarter can provide a nutritious meal for a child in need. Meals are delivered to families in need, opening the door for the local church to share the love of Christ.

FREQUENTLY ASKED QUESTIONS

Is it easy to switch to Answers VBS from another VBS program?

Yes! Answers VBS programs have all the bells and whistles you've been used to in your current VBS program. We offer a rotation format, where kids rotate in teams from site to site (games, snacks, crafts, science, Bible lesson, etc.) throughout their day. This allows each station leader to focus on their area of expertise or enjoyment. This program is easy to customize for your situation. Don't want to do crafts? Use the science experiments option instead. Or switch between the two throughout the week. Add in a music or memory verse rotation if it fits in your schedule. Use the Simplified Teacher Guide for mixed age groups. When you switch, you'll be surprised at the cost savings and at the depth of teaching your children receive. Don't delay—switch today!

Which Bible version do you use?

We offer memory verse posters in ESV and KJV, memory verse songs in ESV and KJV, and any student materials that feature verses are available in ESV or KJV. The leader guides have verses printed in ESV but are easily adaptable to other versions. The daily devotions given in the teacher guides and *Helper Handbook* are ESV; a set of daily devotions with KJV can be found in the Resource Download.

Do your products feature images of Jesus?

A few of the teaching posters feature images of Jesus. And the Pre-Primary and Toddler student guides show images of Jesus on a few of the days. Printable replacements for these can be found in the Resource Download.

Do Answers VBS programs work with churches of all sizes?

Yes! We have heard from churches with 10 kids and churches with 1,000 kids and any number in between.

What is the format of Answers VBS programs?

Five-day? Three-day? Morning? Evening? At home? At church? There are a variety of options to consider when planning your VBS. The *Director Guide* provides instruction for formatting the program to fit your needs. *Spy University* is designed for a three-hour, five-day experience, but it can be easily adapted to a variety of situations. Suggested schedules are given in the *Director Guide*. Digital Pro is designed to work with the traditional VBS schedule.

What fonts are used in Spy University?

Answers VBS recommends the following freeware fonts for promoting *Spy U*: **Orbitron** from Google Fonts, **COLLEGIATEFLF** from DaFont; **VARSITY** from Befont. Your Resource Download contains a font preview with additional font suggestions.
