Ocean Co Course o

Dive in Every day, our kids are challenged to stand for God in their schools, among their friends, in our culture ... no matter what. Noah experienced the same challenges during the time of the great Flood thousands of years ago. Yet, by God's grace, he was able to **Stand for God**, **Obey God**, **Trust God**, **Thank God**, and **Fear God**... no matter what. At *Ocean Commotion*, your kids will dive deep into the account of Noah and the Flood from the book of Genesis! They'll learn to apply the spiritual lessons from Noah's life to their own. And, along the way, they'll uncover earthly lessons from the Flood: how all the animals fit on the Ark, how the Flood covered the whole Earth, and how we can still see the effects of this Flood today. Most importantly, they'll be challenged to receive Jesus as their "Ark of Salvation!" Prepare to dive into the action at *Ocean Commotion*!

What Makes Answers VBS Special? Two words: real life. In this day and age, it's vital that we teach our children that the Bible is more than just a dusty book of stories. We need to show them God's Word connects to every area of our lives and is as relevant today as it was thousands of years ago, so they will know its amazing message of salvation through repentance and faith in Jesus is true!

Missions

Ahoy there! When Noah left the Ark, he and his family were the only people on Earth (Genesis 9:18–19). That means that kids everywhere all come from the same family! We're all sons and daughters of Noah!

AnswersVBS is partnering with Children's Hunger Fund to meet the physical and spiritual needs of other sons and daughters of Noah around the world by helping local churches deliver food and the hope of the gospel to the homes of suffering children.

Each day, you'll set sail on a "Family Reunion Voyage" to

help children like the little girl "Badu" in Ghana, who doesn't have enough food, safe drinking water, or shelter. She and many more of our distant cousins around the world need our help. Your kids will work together to raise quarters

for the meals that go into home-delivered "Food

Paks." Each meal costs only 25 cents, so for every dollar you raise, you provide four meals for hungry kids—and each meal represents an opportunity to proclaim the gospel! When they hear the gospel, each child will have an opportunity to become not just a son or daughter of Noah, but also child of God!

Look for the Children's Hunger Fund pack in your kit (includes a

DVD and sturdy coin collection box). Check your Assembly Guide for more information!

Gospel Tracts Answers in Genesis, Slavic Gospel Association, and Children's Hunger Fund have joined forces to create gospel tracts with one in each and every Food Pak distributed to hungry children around the world by Children's Hunger Fund! Purchasing the English version of these tracts in bulk helps us fund the distribution of these tracts in the Food Paks! 5½ x 3¼ inches, 6 panels. \$9.99 (pack of 100)

FAQ

What do I need to start my VBS?

On the very next page we will help you get started and walk you through the items you may need to order. It all begins by buying a Starter Kit or a Super Starter Kit. (If you want the Music Pack, sample promotional items, and samples of the various "extras" we offer, go with the Super Starter Kit.) After you receive your kit, read through the Director Guide, which will walk you through the decisions you'll need to make and help you decide what else you'll need to order.

- How many of each site do you need? How many staffers do you want to have at each station? (This will determine the number of extra leader guides you'll need to order.)
- How much do you want to publicize your VBS? (This will determine how many publicity items you'll need to order.)
- How much do you want to give to the kids who attend—T-shirts, music CDs, bookmarks, trinkets?

Will this VBS work with the size of my church?

Yes! We field test each Answers VBS program with large and smaller churches, and it works well in each situation!

For smaller churches, we suggest that you begin by ordering either a Starter Kit or a Super Starter Kit. (If you want the Music Pack, sample promotional items, and samples of the various "extras" we offer, go with the Super Starter Kit.) For churches with fewer than 100 kids, the Super Starter contains most of what you'll need to efficiently run your VBS without having to purchase many extra items—you'll have one of every leader guide, plus the sheet music, leader music set, and access to the VBS manager, which will make registering kids and volunteers a breeze!

What is the cost per child for VBS?

The cost for your VBS depends on a variety of factors: how much you want to publicize it, how many leaders and students you have, how much is donated toward your craft and snack times, how many "extras" you want to purchase, etc. With that in mind, we have found that the cost per child runs between \$10–15 (this total doesn't include T-shirts and student music CDs). Again, however, this will depend on how elaborate you would like your VBS to be.

We endeavor to put together a VBS that even the most budgetconscious church can afford. For example, the craft, game, and snack ideas are all comprised of relatively common, inexpensive materials (i.e., there are no elaborate craft kits that you'll need to purchase); and the Resource DVD-ROM contains clip art and logos for making and printing your own promotional materials.

Do you offer skits?

Yes, the Assembly Guide (p. 8) offers scripts for daily skits. We suggest performing your skit during the daily Closing Assembly; however, the skits can also be used during your opening assembly. Each day's skit continues the storyline from the previous day.

Do you offer DVDs of the Daily Drama and the hand motions?

Yes! The Ocean Land Daily Drama DVD (p. 8) features a recording of the drama performed by experienced actors at one of our test churches. This is a great way to share the VBS drama if you don't want to perform it live.

We are pleased to offer a leader hand motions video (p. 12) with your Super Starter Kit. Student DVDs are available for purchase separately.
