MISSION MOMENT

At *Operation Arctic*, we're exploring the wonderful depths of the Bible, God's living Word! Scripture is full of life-giving truth, and it's how we learn to live like Jesus. In many ways, it's our map to God's plan for our lives and a manual for us to learn how to serve and obey Him the way He deserves.

At VBS, we'll take a moment each day to hear from children in different parts of the world and how God is working through the local church to deliver hope to them. During the Mission Moment, your class will receive a new Hope Excursion Report, where you'll meet a little girl or boy and learn about their life in a different part of the world.

Living in Peru, Zambia, Nepal, Ukraine, and the Middle East, each of these kids has a unique story of poverty and struggle. They, and kids just like them all over the world, are faced with questions of where their next meal will come from nearly every day. Not only that, they don't know the truth of the gospel and the salvation offered through Jesus Christ.

There's something you and your kids can do to help! The Bible tells us that we should give to the poor

because when we do, it is an act of love and obedience to God (Proverbs 14:31). Together, we are going to do just that by delivering hope to children all over the world. During mission time, you and your kids will set off on Hope Excursions to support local churches delivering hope and food to children in need all over the world. Your mission is to collect coins for meals that will be delivered in Children's Hunger Fund Food Paks.

A Food Pak is a 20-pound box of nutritious food that is hand-delivered to the home of a needy family by a trained volunteer from a local church in their community.

Rally your kids to raise funds for the meals that go in every Food Pak. Each meal costs only 25 cents! So, every dollar that's raised provides four meals for hungry kids—and each meal represents an opportunity to proclaim the gospel. Look for the Children's Hunger Fund pack in your kit (includes a DVD and sturdy coin collection box). Check your *Assembly Guide* for more information. For a more in-depth session, see the *Discovery Pass Science and Crafts Guide*!

Gospel Tracts

Answers in Genesis, Slavic Gospel Association, and Children's Hunger Fund have joined forces to create gospel tracts—available in English, Spanish, Thai, Russian, and French—with one in each Food Pak distributed to hungry children around the world by Children's Hunger Fund! Samples of these colorful, kid-friendly tracts are in your Starter Kit. Purchasing the English versions of these tracts in bulk helps us fund the distribution of these tracts in the Food Paks! 3¼x5½ in., 6 panels.
