Welcome to *Time Lab*! Wouldn't it be amazing to travel back in time and witness epic events in history? Now imagine traveling through time and meeting the most important man ever—a man who was not just a man but also God, pne who existed outside of time.

We'll do just that as we embark on *Time Lab.* We'll use words beginning with "C" to help us remember that Jesus, our forever faithful, loving, caring, promise-keeping Lord, has been with us always!

- **Creation:** Did you know the Son of God has always existed? He existed before time began and is the Creator of time!
- **Christophany:** This cool word teaches that the Son of God was actively involved throughout Old Testament times and all of history.
- **Cross:** Here's when Jesus is actually given the name "Jesus."
- **Clouds:** After Jesus rose again, where did he go? He's actively working on our behalf!
- **Crown:** We'll end our tour through time at the new heaven and new earth where Jesus and his children will live together forever.

Mission Moment

Throughout the years, decades, and centuries, God has remained faithful. At *Time Lab*, as we explore the subject of time, we will visit different regions and years to see how God has always been in control.

8

Each day, your class will meet a new boy or girl in a different part of the world who is hungry, hurting, and without Jesus.

From Haiti, Uganda, Thailand, Ukraine, and the United States, you will hear the stories of children whose lives have been uniquely affected by poverty. These children have no guarantee of meals, shelter, or an education. And worst of all, they are living apart from the hope that only comes from their Creator, Jesus Christ.

The good news is that you and your kids have the power to make a difference! The Bible says that giving generously to the poor is really giving generously to God himself (Proverbs 19:17). Teach your VBS class the great joy that comes from sacrificing for the sake of Jesus and his gospel. During the Mission Moment, you and

your kids will join Dr. Wen II in her time lab. Together, you will learn about the

faithfulness of Christ through the ages, and how coins can be used to fill Food Paks to support local churches in delivering hope and food to children in need all over the world. Your mission is to collect coins for meals that will be delivered in Children's Hunger Fund Food Paks.

A Food Pak is a 20-pound box of nutritious food that is hand-delivered to the home of a needy family by a trained volunteer from a local church in their community.

Rally your kids to raise funds for the meals that go in every Food Pak. Each meal costs only 25 cents! So, every dollar that's raised provides four meals for hungry kids—and each meal represents an opportunity to proclaim the gospel! Check the Assembly Guide and Inventors' Science and Crafts guide for more information.

Gospel Tracts

Answers in Genesis, Slavic Gospel Association, and Children's Hunger Fund have joined forces to create gospel tracts—available in English, Spanish, Thai, Russian, and French with one in each Food Pak distributed to hungry children around the world by Children's Hunger Fund! Samples of these colorful, kid-friendly tracts are in your Starter Kit. Purchasing the English versions of these tracts in bulk helps us fund the distribution of these tracts in the Food Paks! 34x5½ in., 6 panels.
