*It's a vacation Bible
school like no other!*

Kids will race from continent to continent uncovering clues and attempting challenges as they fill their score cards.

They'll also discover that no matter where we live, what shade of skin we have, or what language we speak, we are all part of the same race—the human race—and all part of the same family from Adam and Eve.

As they examine the events surrounding the tower of Babel, kids will learn that God is calling people to himself from every tribe and nation through his Son, Jesus Christ, the Savior of the world. And he wants us to share this good news in kindness and love with our neighbors nearby and far away.

Join *The Incredible Race* and experience God's love for every tribe, language, and nation!

Mission Moment

God cares about the entire human race—no matter where they live, how they look, or what language they speak. During the week, we'll explore five different continents, discovering that we are different in some ways, but the same in many ways.

As your students explore Ecuador, the Philippines, Kenya, Romania, and the US, they'll hear the stories of boys and girls whose lives have been touched by poverty. These children have no guarantee of meals, shelter, or an education. And worst of all, they are living apart from the hope that only comes from salvation in Jesus Christ.

The good news is you and your kids have the power to make a difference! The Bible says that giving generously to the poor is really giving generously to God himself (Proverbs 19:17). Teach your VBS class the great joy that comes from sacrificing for the sake of Jesus and his gospel.

During the mission moment, you and your kids will travel by hot air balloon with Thurston (an anthropologist) and his best friend, Nathan. Together, you will learn about the cultures of different countries—the food, music, games, and natural habitats

that make each one unique. You'll also join in the Great Commission, making disciples of all nations. Your mission is to collect coins for meals that will be delivered in Children's Hunger Fund Food Paks. As each Food Pak is delivered to a family in need, relationships are built and the gospel is shared.

A Food Pak is a 20-pound box of nutritious food that is hand-delivered to the home of a needy family by a trained volunteer from a local church in their community.

Rally your kids to raise funds for the meals that go in every Food

Pak. Each meal costs

only 25 cents! So, every dollar that's raised provides four meals for hungry kids—and each meal represents an opportunity to proclaim the gospel! See the *Assembly Guide* and *World-class Science and Crafts* guide for more ideas and information.

Gospel Tracts

Answers in Genesis, Slavic Gospel Association, and Children's Hunger Fund have joined forces to create gospel tracts—available in English, Spanish, French, Russian, and Thai—with one in each Food Pak distributed to hungry children around the world by Children's Hunger Fund! Samples of these colorful, kid-friendly tracts are in your Starter Kit. Purchasing the English versions of these tracts in bulk helps us fund the distribution of these tracts in the Food Paks! 3¼x5½ in., 6 folded panels each.

Scene Setter Set-up

For super-easy assembly and quick takedown, apply painter's tape directly to the wall, cover with double-sided tape, and then attach panels. Mavalus® tape also works well. For a lightweight, freestanding set or to use the photo-op pieces, mount each panel to a piece of foamboard or cardboard using spray adhesive, clear packing tape, or staples. Cut out as applicable. Attach the pieces to jack stands.

Main Set: Step Pyramid in Guatemala

Display this large scene setter at the front of your assembly area to set the mood of *The Incredible Race* and to use with the daily drama. Showcases a step pyramid hidden in a Guatemalan jungle and the nose of a plane (which appears during the first day's drama segment). Hang the continents from the separate Around the World scene setter above your set to add dimension and bring an international feel to your set. Set of 12 panels. Each panel is approx. 62½x42¼ in. (1590x1074 mm). **Assembled size approx. 26x10.5 ft.** Shipped in rolls. Not returnable.
