Theme Verse

I will extol you, my God and King, and
bless your name forever and ever.
Psalm 145:1 (ESV)

Is there only one God?

Who is God? What is God like? Does God Love me? Can I know God?

Our kids grapple with questions like these every day. Give them answers with *Mystery Island*!

They'll discover more about who God is as they look to the only source of truth, God's Word. The more they know God, the deeper their trust in him becomes.

Day 1: God is GREAT!—As we study Acts 17, we'll hunt for clues about our great God and discover we must have the right view of him.

Day 2: God is ALMIGHTY!—With the account of Jonah, we'll ooohhh and aaahhh as we focus on the three big Os of God—his omniscience, his omnipotence, and his omnipresence.

Day 3: God is RULER!—We'll check in with Isaiah and marvel at God's vastness, beauty, and holiness.

Day 4: God is EMMANUEL!—God the Son came to earth (Emmanuel means “God with us”) and desires a relationship with the people he has made. Out of his great love, Jesus has provided the way of salvation for all those who repent and trust in him.

Day 5: God is TRUSTWORTHY!—With the account of David, we'll learn that God is good and perfect in all things, so we can trust him with our lives. He is our rock.

Ride the Tide Games

Deep Sea Science and Crafts—This location features an array of activities to choose from, including electrifying science experiments, creative crafts, high energy songs, fun memory verse games, or mission time (for those who want to spend more time than is given during the Assembly).

MISSION MOMENT

Answers in Genesis is partnering with Children's Hunger Fund to provide meals for children living in poverty around the world. Each day at VBS, your class will embark on *The Great Treasure Hunt*, where they'll meet boys and girls from Haiti, Guatemala, Nepal, Romania, and the United States.

We are all a treasure to God, and he wants us to know how precious we are to him. During your VBS Mission Moment, kids will have an opportunity to make a difference for children around the world and show them that they are a treasure to God, too.

Your students will learn that poverty can be the result of natural disaster, injustice, or scarcity of food and water. And they'll learn that every child needs the hope of Jesus Christ!

The best part—your kids will be given an exciting opportunity to help children living in poverty.

Your mission is to collect coins for meals that will be delivered in Children's Hunger Fund Food Paks. Each Food Pak holds up to 20 pounds of food and can feed a family of four

for about a week. Every Food Pak is delivered to a family in need by a trained volunteer from a church nearby.

These simple Food Paks can make a great impact in the lives of children, and you will hear all about it during your daily Mission

Moment. Every 25 cents a child puts into their Coin Pak box can provide

one meal. That means \$1 can turn into four meals for a child in need. Best of all, each meal provides an opportunity for a volunteer from a local church to pray with the family and share about the love of Jesus.

Look for the Children's Hunger Fund pack in your kit. It will include a Coin Pak box and a handmade bracelet from our partner in Uganda.

See the *Assembly Guide* and *Deep Sea Science and Crafts* guide for more ideas and information.

Attach the pieces to jack stands.

What distinguishes Answers VBS from other VBS programs?

Two words: real life.

Recent surveys show that nearly 70% of “Christian” kids grow up and walk away from the church. Answers VBS programs are designed to answer the key questions that cause so many young people to turn away from the Lord. We need to show our young people that God’s Word connects to every area of life and is just as relevant today as it was thousands of years ago, so they will know its amazing message of salvation is true!

Join the thousands of churches who are already equipping their kids through this program to know God and live for him!

What do people say about Answers VBS?

It answers the questions that children have about God and the Bible. It is not teaching “fluff.” It gives real answers to real questions!

S.B., Virginia

The curriculum is biblically solid. Kids learn about their need for a savior! We had more children want to receive Christ than we were prepared for!

L.S., Virginia

We love how Answers in Genesis places apologetics at the center of the curriculum. Along with the gospel, apologetics is one of the most important educational tools our children can be equipped with in today’s secular society.

A.D., Missouri

Much more depth and quality from previously used programs!

K.D., South Carolina
