I praise you, for I am fearfully and wonderfully made. Wonderful are your works; my soul knows it very well. Psalm 139:14 (ESV)

### G'day mates!

As we zoom around Australia, we'll discover amazing animals and visit breathtaking locations, like Uluru and the Great Barrier Reef. More importantly, like a boomerang, we are returning kids to what the Bible says about the value of life. We'll discover how precious each and every one of us is to God. From the tiniest to the oldest, each person is made in the image of God, wonderfully designed to know him and live for him. Out of his great love, God offers us salvation through his son, Jesus. Kids will learn that life is valuable.

#### Day 1: The Beginning of Life—As we

explore the Genesis account that describes the creation of man and woman, we will find that people didn't evolve from ape-men. Instead, we'll discover that lesus is the author of life.

Day 2: The Wonder of Life—We'll check out the words of King David, who expressed the wonder of being formed by God before he was born. As we look at the special design features of our bodies, we'll learn that we're fearfully and wonderfully made in God's image.

Day 3: The Value of Life—The book of Matthew tells the account of Jesus' birth and the subsequent killing of Bethlehem's baby boys. As we look at this passage, we'll discover that God wants us to protect and respect all people-no matter how old, young, smart, or physically fit someone is. Every human life is precious to God!

> Jumpin Jack the Kangaroo Day 1: The Beginning of Life

Day 4: Eternal Life—As we explore the life, death, and resurrection of Jesus, we will see there is only one way to have eternal life with God-through repenting of sin and believing in his Son.

Day 5: Using Your Life—When Jesus ascended into heaven, he left his followers with an important mission. We will take a closer look at the truth that we are created for a reason-to glorify God through the good works he has prepared for us to do. Our main mission is to tell others about our Creator and Savior, Jesus Christ!

> Shimmer the coral Day 2: The Wonder of Life

### A Day at Zoomerang

Begin your day at the **Aussie Assembly**, a thrilling opening with entertaining welcomes, "aus-some" songs, a mission moment, and prayer. Then rotate your kids in groups through these fun sites:

**Land Down Under Lessons**—the Bible teaching time. Here, our mates will unearth the value and wonder of all life created by God and for God.

**Top Koala-ty Treats**—the snack spot. Mates will enjoy delicious tucker (food) at this muchanticipated stop.

**Hoppin' Good Games**—the recreation location. At this location, mates "av a go" (put in a good effort) at working together as teams and trying out various physical challenges.

**Turtle-y Terrific Science and Crafts**—this location features a wide array of activities to choose from: engaging science experiments to explore, appealing crafts to invent, rockin' songs to sing, fun memory verse games to play, or mission time to explore (for those who want to spend more time than is given during the assembly).

After finishing the day's rotations, everyone heads back to the **Aussie Assembly** for the closing that includes more singing, a Creature Feature, contest results, and the greatly anticipated daily drama.

### **CHILDREN'S** HUNGER FUND. MISSION MOMENT

Answers in Genesis is partnering with Children's Hunger Fund to provide meals for children living in poverty around the world. Each day at VBS, your class will embark on Life's Amazing Adventure, where they'll meet boys and girls from Rwanda, Haiti, Albania, Myanmar, and the United States.

We are all a treasure to God, and he wants us to know how precious we are to him. During your VBS Mission Moment, kids will have an opportunity to make a difference for children around the world and show them that they are a treasure to God, too.

Your students will learn that poverty can be the result of natural disaster, injustice, or scarcity of food and water. And they'll learn that every child needs the hope of lesus Christ!

The best part—your kids will be given an exciting opportunity to help children living in poverty.

Your mission is to collect coins for

meals that will be delivered in Children's Hunger Fund Food Paks. Each Food Pak holds up to 20 pounds of food and can feed a family of four for about a week. Every Food Pak is delivered to a family in need by a trained volunteer from a church nearby.

These simple Food Paks can make a great impact in the lives of children, and you will hear all about it during your daily Mission Moment. Every 25 cents a child puts into their Coin Pak box can provide one meal. That means \$1 can turn into four meals for a child in need. Best of all, each meal provides an opportunity for a volunteer from a local church to pray with the family and share about the love of Jesus.

Look for the Children's Hunger Fund pack in your kit. It will include a Coin Pak box and a handmade

bracelet from our partner in Uganda. See the Assembly Guide and Turtle-y Terrific Science and Crafts Guide for more ideas and information.

- VBS Digital makes managing your VBS a breeze.

### Why Switch to Answers VBS?

"We've used AiG for a few years now. There is more than enough material to fill up our days! ... My best example was a few years ago: I had a 50/50 split of churched and non-churched kids in my classroom. The material reached all of them. Now, a lot of prayer was backing all of this up, but all of them tuned in to the salvation message on the fourth day. (Don't know if you've ever noticed kids' eyes glaze over the minute you mention the gospel after a fun teaching time. This didn't happen. They were engaged.)"

- K. M., South Carolina

"This is our first year using AiG and I'm blown away with the quality of it. You'd be able to hand the director guide over to a stranger and they'd be able to have a successful VBS. For veterans of VBS, they're able to concentrate on other things to create an even more successful VBS.... AiG truly is the best."

— A. T., Pennsylvania

"We have used Answers VBS for years and love it. The Bible lessons are in-depth and always have a great apologetics focus. The themes flow so great each day." — K. B., Texas

- The Resource USB and Music USB are not returnable once opened. Breaking the seal on either USB renders the entire kit nonreturnable.
- Scene setters and clearance items are nonreturnable.
- T-shirt returns are limited to 10% of the church's total T-shirt order.
- · Music and other media resources must be unopened.
- Products sold as a "kit," "pack," or "set" must be returned as a complete package, with unopened cellophane.

All VBS returns must be postmarked by August 31 of the year purchased. Reseller refunds are limited to 10% of their total order for the current VBS year.

A Return Authorization (RA) number is required for all returns and must be noted on the outside of any packages being returned. Visit AnswersInGenesis.org/go/returnrequest for more information or call (800) 778-3390. Ship returns in sturdy, well-packed containers clearly identified with your RA number to:
